

State/Territory: Rhode Island

Section 7 – General Provisions

7.4. Medicaid Disaster Relief for the COVID-19 National Emergency

On March 13, 2020, the President of the United States issued a proclamation that the COVID-19 outbreak in the United States constitutes a national emergency by the authorities vested in him by the Constitution and the laws of the United States, including sections 201 and 301 of the National Emergencies Act (50 U.S.C. 1601 et seq.), and consistent with section 1135 of the Social Security Act (Act). On March 13, 2020, pursuant to section 1135(b) of the Act, the Secretary of the United States Department of Health and Human Services invoked his authority to waive or modify certain requirements of titles XVIII, XIX, and XXI of the Act as a result of the consequences COVID-19 pandemic, to the extent necessary, as determined by the Centers for Medicare & Medicaid Services (CMS), to ensure that sufficient health care items and services are available to meet the needs of individuals enrolled in the respective programs and to ensure that health care providers that furnish such items and services in good faith, but are unable to comply with one or more of such requirements as a result of the COVID-19 pandemic, may be reimbursed for such items and services and exempted from sanctions for such noncompliance, absent any determination of fraud or abuse. This authority took effect as of 6PM Eastern Standard Time on March 15, 2020, with a retroactive effective date of March 1, 2020. The emergency period will terminate, and waivers will no longer be available, upon termination of the public health emergency, including any extensions.

The State Medicaid agency (agency) seeks to implement the policies and procedures described below, which are different than the policies and procedures otherwise applied under the Medicaid state plan, during the period of the Presidential and Secretarial emergency declarations related to the COVID-19 outbreak (or any renewals thereof), or for any shorter period described below:

The Emergency Case Management benefit will be effective April 1, 2020 and will expire at the end of the national COVID-19 Public Health Emergency.

NOTE: States may not elect a period longer than the Presidential or Secretarial emergency declaration (or any renewal thereof). States may not propose changes on this template that restrict or limit payment, services, or eligibility, or otherwise burden beneficiaries and providers.

Request for Waivers under Section 1135

The agency seeks the following under section 1135(b)(1)(C) and/or section 1135(b)(5) of the Act:

- a. SPA submission requirements – the agency requests modification of the requirement to submit the SPA by March 31, 2020, to obtain a SPA effective date during the first calendar quarter of 2020, pursuant to 42 CFR 430.20.
- b. Public notice requirements – the agency requests waiver of public notice requirements that would otherwise be applicable to this SPA submission. These requirements may include those specified in 42 CFR 440.386 (Alternative Benefit Plans), 42 CFR 447.57(c) (premiums and cost sharing), and 42 CFR 447.205 (public notice of changes in statewide methods and standards for setting payment rates).

State/Territory: Rhode Island

- c. Tribal consultation requirements – the agency requests modification of tribal consultation timelines specified in **Rhode Island** Medicaid state plan, as described below:

Rhode Island EOHHS will conduct its tribal consultation via a letter and email, concurrently with the submission of the SPA to CMS.

Section A – Eligibility

1. The agency furnishes medical assistance to the following optional groups of individuals described in section 1902(a)(10)(A)(ii) or 1902(a)(10)(c) of the Act. This may include the new optional group described at section 1902(a)(10)(A)(ii)(XXIII) and 1902(ss) of the Act providing coverage for uninsured individuals.

2. The agency furnishes medical assistance to the following populations of individuals described in section 1902(a)(10)(A)(ii)(XX) of the Act and 42 CFR 435.218:

- a. All individuals who are described in section 1905(a)(10)(A)(ii)(XX)

Income standard: _____

-or-

- b. Individuals described in the following categorical populations in section 1905(a) of the Act:

Income standard: _____

3. The agency applies less restrictive financial methodologies to individuals excepted from financial methodologies based on modified adjusted gross income (MAGI) as follows.

Less restrictive income methodologies:

Less restrictive resource methodologies:

State/Territory: Rhode Island

4. ____ The agency considers individuals who are evacuated from the state, who leave the state for medical reasons related to the disaster or public health emergency, or who are otherwise absent from the state due to the disaster or public health emergency and who intend to return to the state, to continue to be residents of the state under 42 CFR 435.403(j)(3).
5. ____ The agency provides Medicaid coverage to the following individuals living in the state, who are non-residents:

6. ____ The agency provides for an extension of the reasonable opportunity period for non-citizens declaring to be in a satisfactory immigration status, if the non-citizen is making a good faith effort to resolve any inconsistencies or obtain any necessary documentation, or the agency is unable to complete the verification process within the 90-day reasonable opportunity period due to the disaster or public health emergency.

Section B – Enrollment

1. ____ The agency elects to allow hospitals to make presumptive eligibility determinations for the following additional state plan populations, or for populations in an approved section 1115 demonstration, in accordance with section 1902(a)(47)(B) of the Act and 42 CFR 435.1110, provided that the agency has determined that the hospital is capable of making such determinations.

Please describe the applicable eligibility groups/populations and any changes to reasonable limitations, performance standards or other factors.

2. ____ The agency designates itself as a qualified entity for purposes of making presumptive eligibility determinations described below in accordance with sections 1920, 1920A, 1920B, and 1920C of the Act and 42 CFR Part 435 Subpart L.

Please describe any limitations related to the populations included or the number of allowable PE periods.

3. ____ The agency designates the following entities as qualified entities for purposes of making presumptive eligibility determinations or adds additional populations as described below in

State/Territory: Rhode Island

accordance with sections 1920, 1920A, 1920B, and 1920C of the Act and 42 CFR Part 435 Subpart L. Indicate if any designated entities are permitted to make presumptive eligibility determinations only for specified populations.

Please describe the designated entities or additional populations and any limitations related to the specified populations or number of allowable PE periods.

4. _____ The agency adopts a total of _____ months (not to exceed 12 months) continuous eligibility for children under age enter age _____ (not to exceed age 19) regardless of changes in circumstances in accordance with section 1902(e)(12) of the Act and 42 CFR 435.926.
5. _____ The agency conducts redeterminations of eligibility for individuals excepted from MAGI-based financial methodologies under 42 CFR 435.603(j) once every _____ months (not to exceed 12 months) in accordance with 42 CFR 435.916(b).
6. _____ The agency uses the following simplified application(s) to support enrollment in affected areas or for affected individuals (a copy of the simplified application(s) has been submitted to CMS).
 - a. _____ The agency uses a simplified paper application.
 - b. _____ The agency uses a simplified online application.
 - c. _____ The simplified paper or online application is made available for use in call-centers or other telephone applications in affected areas.

Section C – Premiums and Cost Sharing

1. _____ The agency suspends deductibles, copayments, coinsurance, and other cost sharing charges as follows:

Please describe whether the state suspends all cost sharing or suspends only specified deductibles, copayments, coinsurance, or other cost sharing charges for specified items and services or for specified eligibility groups consistent with 42 CFR 447.52(d) or for specified income levels consistent with 42 CFR 447.52(g).

2. _____ The agency suspends enrollment fees, premiums and similar charges for:
 - a. _____ All beneficiaries
 - b. _____ The following eligibility groups or categorical populations:

Please list the applicable eligibility groups or populations.

TN: 20-007
Supersedes TN: New

Approval Date: _____
Effective Date: April 1, 2020

State/Territory: Rhode Island

3. The agency allows waiver of payment of the enrollment fee, premiums and similar charges for undue hardship.

Please specify the standard(s) and/or criteria that the state will use to determine undue hardship.

Section D – Benefits

Benefits:

1. v The agency adds the following optional benefits in its state plan (include service descriptions, provider qualifications, and limitations on amount, duration or scope of the benefit):

Emergency Case Management for Medicaid beneficiaries who meet at least one risk-based criteria and at least one health-related criteria. Risk-based criteria include: residing in homeless shelters, outside, in places not meant for habitation, or otherwise housing insecure or at imminent risk of homelessness. Health-related criteria include: a mental health or substance use need, a complex physical health need (e.g., a chronic or acute health condition), or recent hospitalization.

Emergency Case Management is a service that supports homeless and housing insecure beneficiaries that are eligible under the state plan in preventing exposure to COVID-19, supporting those that are in quarantine or that have tested positive for COVID-19, and assisting members in accessing necessary medical and behavioral health services to the extent possible during the emergency period.

Emergency Case Management services related to COVID-19 prevention include: supporting members as they transition from congregate shelters to hotels/motels as part of the state’s response to COVID-19, ensuring members have continued access to food, medication, and other daily needs, and educating members on COVID-19 prevention (e.g., social distancing measures, hand hygiene).

Emergency Case Management services related to supporting COVID-19 exposed or positive members include: assisting members in receiving COVID-19 testing or treatment services, ensuring members have access to food, medication, and other daily needs while they are quarantined, educating members on preventing further spread of COVID-19.

Emergency Case Management services related to supporting access to healthcare, mental health, and other social services includes: assisting members in scheduling or attending medical or behavioral health appointments (in person or via telehealth modalities); hospital discharge supports for individuals who test positive for COVID-19; applying for social benefits like TANF, SNAP, and/or unemployment insurance; and connecting members with community-based

organizations to receive supports for other health-related social needs (e.g., food insecurity, transportation) that may have been exacerbated by the COVID-19 pandemic.

Emergency Case Management will be provided to eligible Medicaid beneficiaries by homeless shelters and homeless service agencies, who specialize in assisting this unique and particularly vulnerable population.

2. The agency makes the following adjustments to benefits currently covered in the state plan:

3. The agency assures that newly added benefits or adjustments to benefits comply with all applicable statutory requirements, including the statewideness requirements found at 1902(a)(1), comparability requirements found at 1902(a)(10)(B), and free choice of provider requirements found at 1902(a)(23).

4. Application to Alternative Benefit Plans (ABP). The state adheres to all ABP provisions in 42 CFR Part 440, Subpart C. This section only applies to states that have an approved ABP(s).

- a. The agency assures that these newly added and/or adjusted benefits will be made available to individuals receiving services under ABPs.
- b. Individuals receiving services under ABPs will not receive these newly added and/or adjusted benefits, or will only receive the following subset:

Please describe.

Telehealth:

5. The agency utilizes telehealth in the following manner, which may be different than outlined in the state's approved state plan:

Please describe.

Drug Benefit:

6. The agency makes the following adjustments to the day supply or quantity limit for covered outpatient drugs. The agency should only make this modification if its current state plan pages have limits on the amount of medication dispensed.

State/Territory: Rhode Island

Please describe the change in days or quantities that are allowed for the emergency period and for which drugs.

7. Prior authorization for medications is expanded by automatic renewal without clinical review, or time/quantity extensions.
8. The agency makes the following payment adjustment to the professional dispensing fee when additional costs are incurred by the providers for delivery. States will need to supply documentation to justify the additional fees.

Please describe the manner in which professional dispensing fees are adjusted.

9. The agency makes exceptions to their published Preferred Drug List if drug shortages occur. This would include options for covering a brand name drug product that is a multi-source drug if a generic drug option is not available.

Section E – Payments

Optional benefits described in Section D:

1. Newly added benefits described in Section D are paid using the following methodology:
 - a. Published fee schedules –
Effective date (enter date of change): _____
Location (list published location): _____
 - b. Other:

Describe methodology here.

Increases to state plan payment methodologies:

2. The agency increases payment rates for the following services:

- a. Payment increases are targeted based on the following criteria:

State/Territory: Rhode Island

b. Payments are increased through:

i. A supplemental payment or add-on within applicable upper payment limits:

Please describe.

ii. An increase to rates as described below.

Rates are increased:

Uniformly by the following percentage: _____

Through a modification to published fee schedules –

Effective date (enter date of change): _____

Location (list published location): _____

Up to the Medicare payments for equivalent services.

By the following factors:

Please describe.

Payment for services delivered via telehealth:

3. For the duration of the emergency, the state authorizes payments for telehealth services that:

a. Are not otherwise paid under the Medicaid state plan;

b. Differ from payments for the same services when provided face to face;

c. Differ from current state plan provisions governing reimbursement for telehealth;

Describe telehealth payment variation.

TN: 20-007

Effective Date: April 1, 2020

State/Territory: Rhode Island

- d. Include payment for ancillary costs associated with the delivery of covered services via telehealth, (if applicable), as follows:
 - i. Ancillary cost associated with the originating site for telehealth is incorporated into fee-for-service rates.
 - ii. Ancillary cost associated with the originating site for telehealth is separately reimbursed as an administrative cost by the state when a Medicaid service is delivered.

Other:

- 4. Other payment changes:

Section F – Post-Eligibility Treatment of Income

- 1. The state elects to modify the basic personal needs allowance for institutionalized individuals. The basic personal needs allowance is equal to one of the following amounts:
 - a. The individual’s total income
 - b. 300 percent of the SSI federal benefit rate
 - c. Other reasonable amount: _____
- 2. The state elects a new variance to the basic personal needs allowance. (Note: Election of this option is not dependent on a state electing the option described the option in F.1. above.)
