The state/territory has fully aligned its benefits in the Alternative Benefit Plan using Essential Health Benefits and subject to 1937 requirements with its Alternative Benefit Plan that is the state’s approved Medicaid state plan that is not subject to 1937 requirements. Therefore the state/territory is deemed to have met the requirements for voluntary choice of benefit package for individuals exempt from mandatory participation in a section 1937 Alternative Benefit Plan.

Explain how the state has fully aligned its benefits in the Alternative Benefit Plan using Essential Health Benefits and subject to 1937 requirements with its Alternative Benefit Plan that is the state’s approved Medicaid state plan that is not subject to 1937 requirements.

That state has ensured alignment between its Medicaid State Plan and the Alternative Benefit Plan by using the same package of benefits and services in both places. Amount, duration, and scope of the benefits correspond because it is the same set of services offered in both places.

Alternative Benefit Plan

Selection of Benchmark Benefit Package or Benchmark-Equivalent Benefit Package

Select one of the following:

☐ The state/territory is amending one existing benefit package for the population defined in Section 1.

☐ The state/territory is creating a single new benefit package for the population defined in Section 1.

Name of benefit package: Rhode Island Benefit Plan

Selection of the Section 1937 Coverage Option

The state/territory selects as its Section 1937 Coverage option the following type of Benchmark Benefit Package or Benchmark-Equivalent Benefit Package under this Alternative Benefit Plan (check one):

☐ Benchmark Benefit Package.

☐ Benchmark-Equivalent Benefit Package.

The state/territory will provide the following Benchmark Benefit Package (check one that applies):

☐ The Standard Blue Cross/Blue Shield Preferred Provider Option offered through the Federal Employee Health Benefit Program (FEHBP).

☐ State employee coverage that is offered and generally available to state employees (State Employee Coverage).

☐ A commercial HMO with the largest insured commercial, non-Medicaid enrollment in the state/territory (Commercial HMO).

☐ Secretary-Approved Coverage.

☐ The state/territory offers benefits based on the approved state plan.

☐ The state/territory offers an array of benefits from the section 1937 coverage option and/or base benchmark plan benefit packages, or the approved state plan, or from a combination of these benefit packages.

☐ The state/territory offers the benefits provided in the approved state plan.

☐ Benefits include all those provided in the approved state plan plus additional benefits.

☐ Benefits are the same as provided in the approved state plan but in a different amount, duration and/or scope.

☐ The state/territory offers only a partial list of benefits provided in the approved state plan.

☐ The state/territory offers a partial list of benefits provided in the approved state plan plus additional benefits.

Please briefly identify the benefits, the source of benefits and any limitations:

The benefits correspond to the state’s existing Rhody Health Partners package of Medicaid State Plan benefits.

Selection of Base Benchmark Plan
Alternative Benefit Plan

The state/territory must select a Base Benchmark Plan as the basis for providing Essential Health Benefits in its Benchmark or Benchmark-Equivalent Package.

The Base Benchmark Plan is the same as the Section 1937 Coverage option. [No]

Indicate which Benchmark Plan described at 45 CFR 156.100(a) the state/territory will use as its Base Benchmark Plan:

- Largest plan by enrollment of the three largest small group insurance products in the state’s small group market.
- Any of the largest three state employee health benefit plans by enrollment.
- Any of the largest three national FEHBP plan options open to Federal employees in all geographies by enrollment.
- Largest insured commercial non-Medicaid HMO.

Plan name: Blue Cross Blue Shield of RI Vantage Blue Plan

Other Information Related to Selection of the Section 1937 Coverage Option and the Base Benchmark Plan (optional):

The state assures that all services in the base benchmark have been accounted for throughout the benefit chart in ABP 5. The state assures the accuracy of all the information in ABP 5 depicting amount, duration, and scope parameters of services authorized in the currently approved Medicaid state plan.

The state/territory provides the Alternative Benefit Plan through the payment of employer sponsored insurance for participants with such coverage, with additional benefits and services provided through a Benchmark or Benchmark-Equivalent Benefit Package.

Provide a description of employer sponsored insurance, including the population covered, the amount of premium assistance by population, employer sponsored insurance activities including required contribution, cost-effectiveness test requirements, and benefit information:

- The Share Premium Assistance program is used when cost effective (cost effectiveness test completed by the Medicaid program). The Medicaid program assists members by paying the employee/member portion of the ESI premium as well as wraparound payments and services (e.g. Dental).

The state/territory otherwise provides for payment of premiums.
