

Shared Living Trainings (April – May 2010)

The Department of Human Services (DHS) will be implementing a new program, called Shared Living, for elders and adults with disabilities that are eligible for Medicaid long-term care. For more information on Shared Living, please see the attached fact sheet.

Several trainings are now being scheduled to inform community agency staff and others about Shared Living. If you would like to attend a Shared Living training, please RSVP to documentsmanagement@dhs.ri.gov or call 462-2501 to confirm. Please indicate the training date you will attend, your name, agency, phone number and email.
