# HIT Steering Committee: Monthly Project Status (January 2023)

| Project                           | Scope     | Vendor         | Funding Period            | Recent Highlight  |
|-----------------------------------|-----------|----------------|---------------------------|---|
| Quality Reporting System (QRS)    | State-led | IMAT Solutions | Ends SFY 2024             | Development nearing completion for child immunizations, development screening, and lead screening. All immunizations data from RICAIR are in production.  |
| Community Resource Platform (CRP) | State-led | Unite Us       | Ends SFY 2024             | An additional 30 Network partners were added since November 2022. Average monthly referral volume has increased 53% compared to December 2021. Discussions with HealthSource RI and the Community Health Network are underway.  |
| Health Information Exchange (HIE) | Statewide | RIQI           | Approved through SFY 2023 | CurrentCare and Care Management Dashboards now receives ED and Inpatient encounters from Southcoast Health Hospitals in Massachusetts. More Massachusetts hospitals are expected to send encounter data in the near future.   |
| Demographic Data Standardization  | State-led | AHP, CTC       | CDC Grant Ends May 2023   | EOHHS is offering Technical Assistance from consultant, Adrian Bishop, to support improving demographic data collection through EHR system capabilities and practice workflow enhancements for Provider organizations. Contact: Jocelyn Roman ( <a href="mailto:Jocelyn.Roman@ohhs.ri.gov">Jocelyn.Roman@ohhs.ri.gov</a> ). |

# HIT Steering Committee: Monthly Project Status (January 2023)

| Project                          | Scope     | Vendor | Funding Period | Recent Highlight   |
|----------------------------------|-----------|--------|----------------|--|
| Electronic Case Reporting (eCR)  | Statewide | N/A    | N/A            | <p>The Promoting Interoperability Program (formerly Meaningful Use) webpage has been updated to capture current program offerings, aligned with reporting the eCR and other measures to the Rhode Island public health agency.<br/> <a href="https://health.ri.gov/medicalrecords/about/meaningfuluse/">https://health.ri.gov/medicalrecords/about/meaningfuluse/</a></p> <p>There is now a webpage dedicated to eCR education, features, benefits and reporting. Outreaching to Health Care Organizations, Critical Access Hospitals, and physician practices has commenced.<br/> <a href="https://health.ri.gov/medicalrecords/about/ecr/">https://health.ri.gov/medicalrecords/about/ecr/</a></p> |
| Behavioral Health Record-Sharing | Statewide | N/A    | N/A            | <p>Revision to Part 2 proposed; public comment closes 1/31/23<br/> <a href="https://www.federalregister.gov/documents/2022/12/02/2022-25784/confidentiality-of-substance-use-disorder-sud-patient-records">https://www.federalregister.gov/documents/2022/12/02/2022-25784/confidentiality-of-substance-use-disorder-sud-patient-records</a></p>   |
