# HIT Steering Committee: Monthly Project Status (June 2023)

Project	Scope	Vendor	Funding Period	Recent Highlight
Quality Reporting System (QRS)	State-led	IMAT Solutions	Ends SFY 2024	An Electronic Data Exchange (ECDE) subgroup has been formed with participants from all QRS sites. Purpose of the subgroup is to discuss and develop standards for the exchange of QRS measures data between the participants and IMAT. Testing underway with LEAD and Development measure data from KIDSNET.
Community Resource Platform (CRP)	State-led	Unite Us	Ends SFY 2024	Discussions continue with DHS for a possible pilot of Unite Us with the Refugee Assistance program. EHR Integration with Prospect (Athena) implementation is scheduled start by the end of June 2023 with an eight-week implementation time-frame. There were 22 additional partners (403 Total) added to the Unite RI network YTD 2023. Over 3,110 electronic referrals have been processed in YTD 2023. This is an increase of 700+ referrals from the same period last year-2022.
Health Information Exchange (HIE)	Statewide	RIQI	Approved through SFY 2023	Continuing to work with Butler Hospital to improve communication around psychiatric discharges.
Demographic Data Standardization	State-led	AHP, CTC	CDC Grant Ends May 2024	CTC-RI is finalizing the Best Practice Summary Report and the Current and Anticipated Standards/Requirements Summary Report. EOHS has outreached to several organizations in the state to request sharing aggregate-level demographic data to be included in the Baseline RI Demographic Data Collection Performance Assessment Report. If you are interested in contributing, please contact Susanne Campbell ( <a href="mailto:Scampbell@ctc-ri.org">Scampbell@ctc-ri.org</a> ).
Behavioral Health Record-Sharing	Statewide	N/A	N/A	The Mental Health Care Coordination bill has passed the House; Sen. McKenney is sponsoring the companion bill S719. The text for H5687 is available here: <a href="http://webserver.rilegislature.gov/BillText/BillText23/HouseText23/H5687.pdf">http://webserver.rilegislature.gov/BillText/BillText23/HouseText23/H5687.pdf</a> This bill clarifies language in the state mental health law to explicitly allow record-sharing among treatment providers for patients receiving high-acuity mental health treatment services.
