 - Demographic Data Collection Pilot Update
- Public Comment
- Next Steps and Next Meeting

HIT Steering Committee: Monthly Project Status (January 2024)

Project	Scope	Vendor	Funding Period	Recent Highlight
Quality Reporting System (QRS)	State-led	IMAT Solutions	Ends SFY 2024	<ul style="list-style-type: none"> • DAV certification process completed successfully with very good results. • Updates to QRS Website nearing completion. • Quality measures for 2024 selected and prioritized for development. • Strategic planning sessions with IMAT held. Product roadmap presented along with priority projects for RI discussed. • Custom Medicaid AE/MCO report development in process.
Community Resource Platform (CRP)	State-led	Unite Us	Ends SFY 2024	<ul style="list-style-type: none"> • EHR Integration (Athena) with Prospect implementation project nearing completion. • Possible EHR Integration (NextGen) with BVCHC being discussed. • DHS-Refugee Assistance program has decided to move forward with the Unite us platform. • DCYF-SRU has decided to move forward the Unite Us platform. • The Unite Us platform will be presented to the CCBHC Learning Collaborative on January 11. • Over 434 organizations, with a total of 1,030 programs, are now part of the Unite RI network.
Health Information Exchange (HIE)	Statewide	RIQI	Approved through SFY 2024	CurrentCare for Me now supports English, Spanish, and Portuguese languages. All three languages are available on all webpages, including help screens, emails, and text notifications. CurrentCare is undergoing a major transformation of the Enterprise Master Patient Index technology in preparation for the transition to Opt-Out.
Demographic Data Standardization	State-led	N/A	CDC Grant Ends May 2024	The Demographic Data Collection Pilot project has successfully completed 4 educational webinar sessions, with the final 2 scheduled. CTC-RI has also successfully obtained funding for a Quality Improvement initiative for primary care practices to help implement the training and best practices. Reports and webinar presentation materials can be accessed here (https://ctc-ri.org/other-programs/demographic-data)

Quality Reporting System – Data Aggregator Validation update
