### **Will submitters be assigned new submitter IDs for 5010 format testing and production?**

No, submitters will retain the submitter IDs they currently use.

### **Will 835 files be sent in both 4010 and 5010 formats?**

During the dual processing window, we are planning to send two 835 transaction files – one using the version 4010 standard, and one in the version 5010 format. Each file will be a complete set of all claims and financial transactions processed during the financial period. Submitters can choose to process either the 4010 or 5010 835 transactions.

### **Can I submit 5010 transaction with P.E.S. Software?**

The current P.E.S. software version 2.05 can only be used for 4010 transactions. The new version (2.06) will be needed to submit 5010 transaction. The new version of P.E.S. software will be available to providers in December, 2011.

### **Will I be able to continue sending X12 4010 or NCPDP 5.1 transactions after January 1, 2012?**

Only during the dual processing window will we accept 4010 and NCPDP 5.1 transactions.

**Will new transactions be added?**

Yes, the 997 will be replaced with the 999/TA1 Acknowledgement for the 5010 transactions.

**Will Rhode Island provide a file level acknowledgement for claim files?**

A 997 will continue to be provided for 4010 file submissions, and a 999/TA1 will be provided for the new 5010 file submissions.

**Will the same delivery method for 4010 and 5010 files be used?**

Yes, the same method for uploading files to Rhode Island Medical Assistance will be used for 4010 and 5010. There will be no changes to the procedures for submitting claims to the MMIS, nor there any revisions to the existing Trading Partner Agreements.

**Do 837 Institutional claims require a valid NPI (National Provider Identifier) in the Attending Provider field?**

Yes, a valid NPI is required. There is a compliance check for this information during transmission. The entire file will be rejected if the compliance check fails.

**Will RI have a dual processing period for the 270/271 transactions?**

For those providers using the 270/271 transactions, there is a hard cut-over to 5010 on Monday, December 5<sup>th</sup>.

**Will RI have a dual processing period for claim transaction files?**

Yes, our dual processing window will be from December 5<sup>th</sup>, 2011 to February 17, 2012.
