

Electronic Referrals in the Healthcare Portal

January 2021

Agenda

- **Overview**
- **Programs Included**
- **Available Information on the new Referral Screen**
- **View the Referral Screen**
- **Emails**

Health Care Portal Electronic Referrals Overview

- Providers will have access to a newly updated Referral List web page that will display individuals approved for home care services. This will increase the efficiency and ease of placement for beneficiaries in need of home care services.
- The Referral List web page will be available in the Healthcare Portal.
- This recipient referral functionality is currently available for those beneficiaries who will receive home care services through Fee for Service Medicaid only.
- The list will be used by the Home Care agencies to view general beneficiary information for those in need of services.
- A Provider can request additional information for a referral.
- Home Care Providers will be sent emails to view the Daily Summary of new referrals from the previous day.
- The Provider can select a maximum of three active clients during any time period. If a fourth is selected an error message will be displayed notifying them that only three selections are available at any one time.

Programs Included

- **Core Community Services**
- **DEA Waiver**
- **Medicaid Preventive Services**
- **Habilitation Community Services**

BHDDH, DEA Copay and Pediatrics are not in the current scope but may be added in a future phase.

ELECTRONIC FEE-FOR-SERVICE (FFS) REFERRAL SYSTEM FOR HOME CARE AGENCIES

This Agreement is made by and between The Executive Office of Health and Human Services (hereinafter referred to as “EOHHS”) and (Agency Name) (hereinafter referred to as “Provider”) requesting access to the home care referral list. Provider agrees to the following terms:

1. Provider agrees to use the electronic fee-for-service (“FFS”) referral systems for identifying Beneficiaries in the provider facing Portal and to provide selected Beneficiaries with home care services.
2. EOHHS maintains the sole authority to grant or deny provider with access to the Electronic Referral Portal (“Portal”).
1. Provider agrees that when selecting a Beneficiary and requesting information, Provider will use sound judgment and adhere to the “Electronic Data Interchange Trading Partner Agreement” in assessing whether it can meet the individual needs of the Beneficiary.
1. Provider’s selection of a Beneficiary through the Portal will remain valid for a period of two business days from the time of request for information. During this time, the Provider will determine whether it will provide home care service to the Beneficiary.
2. Provider agrees to select a maximum of three active clients in any one time period.
1. Provider agrees to respond to contact by the Department of Human Services (DHS)/designee, the Office of Healthy Aging (OHA)/designee, or the Medicaid office to obtain relevant Beneficiary information in a timely manner, in order to make a determination about providing service to the Beneficiary within two business days of the request for information about the Beneficiary.
1. If Provider decides not to provide services to the Beneficiary after discussions with the DHS or OHA representative, it is the Provider’s responsibility to deselect the Beneficiary in the electronic system within (1) one business day.
