

Immunization Data and Template

Guidelines for Health Plans

This document provides details to health plans on how to calculate fields and enter data in the new immunization tracker template.

General Guidelines:

PRE = Number of Children needing vaccine 30 days before cut-off date

POST = Number of Children not immunized post cut-off date

- A. Population Groups/Lines of Business (LOB) included in this analysis (*No other population group/LOB should be included in this analysis*):
 - a) Rite Care
 - b) Children with Special Healthcare Needs (CSN)
 - c) Substitute Care (NHP Only)

- B. For each LOB, the following fields must be entered by the health plans:
 - a) Monthly Numerators
 - b) Monthly Denominators
 - c) PRE

- C. The following fields will self-populate from the data entered in the fields specified above:
 - a) Rate (Monthly Numerator / Monthly Denominator)
 - b) POST (Monthly Denominator – Monthly Numerator)
 - c) The All Medicaid Tab (Aggregates data from the LOB tabs)

DEFINITIONS

HEDIS Childhood Immunization Status Combo 10 (CIS)

# of Doses	Vaccine	Description	Age Requirement for vaccine administration (age in years)
4	DTaP	Diphtheria, Tetanus, and acellular Pertussis	Birth to age 2
3	IPV	Polio	Birth to age 2
1	MMR	Measles, Mumps, and Rubella	Birth to age 2
3	HiB	Haemophilus Influenza type B	Birth to age 2
3	HepB	Hepatitis B	Birth to age 2
1	VZV	Varicella	Birth to age 2
4	PCV	Pneumococcal Conjugate Vaccine	Birth to age 2
1	HepA	Hepatitis A	Birth to age 2
2	IIV	Influenza (Annual)	Birth to age 2
2 or 3	RV	Rotavirus (Dosage dependent on manufacturer)	Birth to age 2

Data Entered by Health Plans	
Monthly Denominator	All children (by LOB) who have their 2 nd birthday during that month and who were members at any time during that month. No other enrollment criteria should be applied.
Monthly Numerator	Among the children included in the denominator, members are numerator compliant if they received all the required immunization listed in the table above.
Monthly PRE	Among the children included in the denominator, the number of children that are not numerator compliant as of 30 days prior to their 2 nd birthday.

HEDIS Immunization for Adolescents Combo 2 (IMA)

# of Doses	Vaccine	Description	Age Requirement for vaccine administration (age in years)
1	MCVA	Meningococcal Conjugate Vaccine	Between the ages of 11 and 13
1	DTaP	Diphtheria, Tetanus, and acellular Pertussis	Between the ages of 10 and 13
2-3	HPV	Human Papillomavirus	Between the ages of 9 and 13 At least two vaccines, with at least 146 days between the two vaccines, or at least three HPV vaccines.

Data Entered by Health Plans	
Monthly Denominator	All children (by LOB) who have their 13 th birthday during that month and who were members at any time during that month. No other enrollment criteria should be applied.
Monthly Numerator	Among the children included in the denominator, members are numerator compliant if they received all the required immunization listed in the table above.
Monthly PRE	Among the children included in the denominator, the number of children that are not numerator compliant as of 30 days prior to their 13 th birthday.

HEDIS Lead Screening (LSC)

Data Entered by Health Plans	
Monthly Denominator	All children (by LOB) who have their 2 nd birthday during that month and who were members at any time during that month. No other enrollment criteria should be applied.
Monthly Numerator	Among the children included in the denominator, members are numerator compliant if they received one or more capillary or venous lead blood test for lead poisoning.
Monthly PRE	Among the children included in the denominator, the number of children that are not numerator compliant as of 30 days prior to their 2 nd birthday.

EPSDT Immunization Measures

# of Doses	Vaccine	Description	Age Requirement for vaccine administration (age in years)
1	DTaP	Diphtheria, Tetanus, and acellular Pertussis	Between 4 and 6 years of age
1	IPV	Polio	Between 4 and 6 years of age
1	MMR	Measles, Mumps, Rubella	Between 4 and 6 years of age
1	VAR	Varicella	Between 4 and 6 years of age

Data Entered by Health Plans	
Monthly Denominator	All children (by LOB) who have their 6 th birthday during that month and who were members at any time during that month. No other enrollment criteria should be applied.
Monthly Numerator	Among the children included in the denominator, members are numerator compliant if they received the required immunization (see table above).
Monthly PRE	Among the children included in the denominator, the number of children that are not numerator compliant as of 30 days prior to their 6 th birthday.
