

RI Early Intervention Providers Referral Status as of 11/23/2021

Due to the fiscal crisis that is occurring within the state's Early Intervention system, there is a waiting period for Early Intervention services. Referred children will be placed on a statewide waitlist, and families will be contacted about their referral. They will be given the option to be matched with the first provider in their community who has an opening, or they can choose to wait for a specific provider who serves their community.

There are several ways to refer a child to the Early Intervention statewide waitlist.

- Email the referral to Jennifer.Kaufman@ohhs.ri.gov
- Fax the referral to (401) 462-2939, Attn: Early Intervention
- Call (401) 462-3425 and leave a voicemail with the referral information.
- Refer to the agency that you typically would, via phone, fax or email.
