UnitedHealthcare Insurance Company

Amendment No. 1

The July 1, 2020 Agreement between the State of Rhode Island Executive Office of Health and Human Services ("EOHHS") and UnitedHealthcare Insurance Company (the "Contractor"), is hereby amended effective July 1, 2020.

3.1 General Provisions, Section 3.4 Payment, C. Liability for Payment

1. Revision made to Section 3.4, ‘Liability for Payment,’ by ADDING the following language to section:

Should any part of the scope of work under this Agreement relate to a State program that is no longer authorized by law (e.g., which has been vacated by a court of law, or for which CMS has withdrawn federal authority, or which is the subject of a legislative repeal), Contractor must do no work on that part after the effective date of the loss of program authority. EOHHS must adjust capitation rates to remove costs that are specific to any program or activity that is no longer authorized by law. If Contractor works on a program or activity no longer authorized by law after the date the legal authority for the work ends, Contractor will not be paid for that work. If the state paid the Contractor in advance to work on a no-longer-authorized program or activity and under the terms of this contract the work was to be performed after the date the legal authority ended, the payment for that work should be returned to EOHHS. However, if Contractor worked on a program or activity prior to the date legal authority ended for that program or activity, and EOHHS included the cost of performing that work in its payments to Contractor, Contractor may keep the payment for that work even if the payment was made after the date the program or activity lost legal authority.
