COVER ALL KIDS IMPLEMENTATION

Cover All Kids extends full-benefit medical assistance to children who would otherwise be eligible for Medicaid, but for their immigration status.

Legislation passed effective July 1, 2022 – <u>RIGL 42-12.3-15. Expansion of RIte track program.</u>

While applications for coverage may be accepted through all available channels (online, mail, phone, in person), we caution that we currently have system limitations which will delay eligibility determination.

- Applications received **before September 1, 2022** may receive an initial denial notice, but will be manually reviewed by Department of Human Services (DHS) staff for Cover All Kids eligibility.
- **Beginning September 1, 2022**, applications will be accepted, and won't be initially denied, but also will not result in an automatic approval. These applications will be worked by DHS staff via a manual process. Approval notices will be sent when criteria is met. Denial notices will be sent when eligibility criteria is not met.
- All applications approved via this manual process will receive a retroactive eligibility start date of July I, 2022. Once electronic processing has started, the effective date will be based on the application. Cover All Kids members will receive a Medicaid ID card the white anchor card about one week after their eligibility is processed.

Providers should be prepared to bill fee-for-service Medicaid for any approved member expenses for dates of service beginning July 1, 2022.

Though not immediately, the Cover All Kids population will be enrolled in Managed Care Organizations (MCOs). These enrollments are likely to begin on October 1, 2022 and based on a standard eligibility waiting period thereafter. Cover All Kids members will also receive RIteSmiles coverage, the Medicaid Children's dental program.

For emergency or high-need cases, providers and applicants are encouraged to submit applications as soon as possible and to request expedited assistance via Linda DeMoranville at linda.demoranville@dhs.ri.gov.

For all other cases, to avoid application backlog, we request applications be submitted on or after October 1, 2022. Thank you for your partnership and patience as we get our systems prepared to provide services to this new population of children.

Katie Beckett (KB) Medicaid Eligibility: Health Care Coverage for Children with Severe Disabilities

Please note that the clinical team overseeing the process for the Katie Beckett Medicaid Program has been moved to DHS-LTSS, kindly refer inquiries and mail application for the KB program to the DHS-LTSS contact below

Katie Beckett is an eligibility category in Medicaid that allows children under age 19 who have long-term disabilities or complex medical needs to become eligible for Medicaid coverage. To be qualified, child must meet the income and resource requirements for Medicaid for persons with a disability; qualify under the U.S. Social Security Administration's (SSA) definition of disability and require a level of care at home that is typically provided in a hospital, nursing facility or an Intermediate Care Facility for Persons with Intellectual Disability (ICF-MR). Katie Beckett Medicaid eligibility enables children to be cared for at home instead of an institution. With Katie Beckett, only the child's income and resources are used to determine eligibility.

For information about the Katie Beckett program, contact DHS LTSS at: 401-574-8474 or email: <u>DHS.PedClinicals@dhs.ri.gov</u>

Attention Home Care Providers

For claims that are submitted by a home care agency, a member must have RI Medicaid eligibility, a prior authorization and an active enrollment for the dates of service into one of the below waiver/programs.

- LTSS-HCBS Services
- OHA Community Services
- BHDDH Community Support
- Medicaid Preventive Services
- Habilitation Community Services
- OHA At Home Cost Share

To verify program enrollment and eligibility sign into the **Health Care Portal.** Verify that a member has RI Medicaid and program eligibility under the "Eligibility" tab. For OHA copay clients, you will see OHA At Home Cost Share and they will not have Medicaid Eligibility.

For claims to process and pay, there also needs to be a prior authorization on file for the correct number of units and dates of service that you will be submitting your claims for.

The Prior Authorizations are viewable under "Interactive Web Services" on the right of the home page of the portal. Please select "Check Prior Authorization".

If either their eligibility or a prior authorization **is missing** on the portal than please call or email the case worker. Below is the contact information for DHS programs:

DHS Help Line 401-574-8474 or dhs.ltss@dhs.ri.gov

For DEA Waiver (OHA) or OHA At Home Cost Share clients please contact the regional case manager at Tri-County Community Action, West Bay CAP, East Bay Cap, or Child and Family Services.

If you can see eligibility and a prior authorization on the Health Care portal but you do not see it in the EVV system, then please contact Sandata directly.

Updates to the Healthy Rhode Mobile App for Customers

The Healthy Rhode Mobile App recently underwent important updates to enhance both customer experience and operations efficiency. In addition to providing a wider array of support services through the mobile app, it is expected these enhancements will also serve to improve the customer experience both in-person and via the call center by offering the types of services commonly sought through both of these venues, likely resulting in shorter wait times. These upgrades include:

- Displaying previously submitted documents, appointments, banner messages, and notices
- Allowing customers to enter reasonable explanations, along with the documents upload
- Allowing customers to reset passwords and recover their username via one-time password
- Allowing customers to login via Biometrics
- Notifying customers of key dates and information pertinent to their case
- Allowing customers to create accounts, reset passwords, and recover their usernames
- Allowing customers to opt into text messages and push notifications
- Allowing customers to view their Medicaid ID on the mobile app
- Allowing customers to get on-demand updates of the status of their applications or recertifications/ interims or periodic verifications
- Allowing customers the ability to submit simple changes to their case and household through the mobile app

These upgrades continue to further advance the customer service focus by addressing some of their most common needs. The ability to accomplish many of these necessary tasks through the mobile app is an exciting and extremely useful step that will help customers more quickly and efficiently accomplish tasks important to ensuring access to and continuity of benefits.

Community Health Care Workers (CHW)

Rhode Island Medicaid is currently accepting applications from Community Health Worker (CHW) Providers. This new provider type is considered Non-Medical.

Active enrollment is required before a provider can begin seeing RI Medicaid members.

Providers that currently participate with RI Medicaid and who want to become a CHW provider must perform a separate enrollment for CHW services.

CHW's enrolling independently (not part of an agency) will be required to submit proof of CHW certification by the RI Certification Board. If the CHW is not yet certified, they may enroll as a provider but, the enrollment will be limited to an 18-month period. If proof of certification is not submitted before the end of the 18 months, the provider will be disenrolled.

CHW certification is not required for agencies to enroll.

Enrollment is completed using the RI Medicaid Healthcare Portal (HCP).

► RI Medicaid Healthcare Portal

<u>https://www.riproviderportal.org</u>

Step-by-step enrollment instruction can be found on the portal home page.

Healthcare Portal Resource Page • http://www.eohhs.ri.gov/ProvidersPartners/HealthcarePortal.aspx

- Address Information, including postal code + 4
- Tax ID either EIN or SSN
- Completed W-9 as an attachment, including signature

Under "Provider Enrollment Type," select "Atypical"

- CHW providers will not need to fill out fields for National Provider ID, License, or Taxonomy
- Under **Other Identifier,** CHW Providers will need a **ten-digit number** for registration; a telephone number would be the best as it is unique to you (See Example).

Prior Authorization for Durable Medical Equipment (DME)

Physicians writing scripts/prescriptions for durable medical equipment (i.e. diapers, nutrition, etc.) should

give the script directly to the recipient and indicate to the recipient to contact a DME Supplier provider. The DME Supplier provider will initiate the prior authorization request with RI Medicaid.

When prior authorization is required for a service, the DME Supplier provider is to submit a completed Prior Authorization Request form which can be obtained on the <u>EOHHS website</u>. This form must be

signed and dated by the **DME Supplier provider** as to the accuracy of the service requested. Attached to this form will be the Proof of Medical Necessity signed by the prescribing provider. When necessary, further documentation should be attached to the Prior Authorization Request form to justify the request. Forms can be faxed to (401) 784-3892.

Please note prior authorization requests for DME supplies received from a physician will be returned.

Prior authorization does not guarantee payment. Payment is subject to all general conditions of RI Medicaid, including beneficiary eligibility, other insurance, and program restrictions.

An approved prior authorization cannot be transferred from one vendor to another. If the beneficiary wishes to change vendors once the prior authorization has been approved, the new vendor will submit another Prior Authorization Request form with a letter from the beneficiary requesting the previous prior authorization be canceled.

For those beneficiary's dually enrolled in the RI Medicaid Program and Medicare, prior authorization is not required for Medicare covered DME services. Providers are required to accept Medicare assignment for all covered DME services. RI Medicaid will reimburse the copay and/or deductible as determined by Medicare up to the RI maximum allowable amount using the lesser of logic.

ADA Stretcher Compliance- NEMT Benefit

Healthcare Providers to Comply with ADA Stretcher and Wheelchair Requirements for NEMT Benefit

Under Title III of the Americans with Disabilities Act (ADA), healthcare providers must comply with the relevant physical access accommodations. Providers are required to make 'reasonable accommodations' to policies, practices, and procedures to avoid discriminating against an individual with a disability. EOHHS is in receipt of several complaints from contracted transportation providers (TP) regarding stretcher transportation issues at healthcare provider facilities.

EOHHS reminds healthcare providers that under its non-emergency medical transportation (NEMT) benefit, transportation providers cannot leave an unattended stretcher at a provider/facility unless it is the member's personal mobility device or leave the transportation provider's stretcher at the facility.

We thank you for your cooperation and attention to this important matter and kindly remind contracted network providers to comply with all ADA requirements, including wheelchair and stretcher transport for member's utilizing the NEMT benefit.

NURSING HOMES, ASSISTED LIVING, AND HOSPICE PROVIDERS

Payment Delivery for Interim Payments

Due to the ongoing COVID-19 State of Emergency, <u>Interim payments will continue to be automatically</u> <u>deposited into the bank account associated with your Gainwell Technologies MMIS account</u>.

This will alleviate the need for in-person visits to the Gainwell Technologies office.

The Next system payment will be deposited into the bank account directly, in line with the financial calendar on February 17, 2023

Gainwell Technologies will securely mail the member information to providers detailing which client and date of service the payment is for.

We will continue to communicate with providers on any changes.

REMINDER FOR NURSING HOME

Stimulus funds should be treated the same as a tax refund/rebate by nursing homes. The rebate is not treated as income, or as a resource for a 12-month period, in determining an individual's eligibility or assistance amount under any federally funded public program.

Attention Assisted Living Facilities (ALF) Providers

Effective January 1, 2022, the monthly Room and Board Rate for all Medicaid LTSS Assisted Living Facility (ALF) customers with income under 300% Federal Benefit Rate (FBR) or \$2523, will change to \$1053 to reflect the Year 2022 Federal Benefit Rate (FBR). Room and Board Rate for customers with income over the 300% FBR will be \$2523 adjusted for a single versus double room accordingly. Cost of Care (COC) for all ALF customers may also change to reflect the 2022 COLA for customers who are receiving SSA benefits. Assisted Living Providers

New Explanation of Benefit (EOB) Codes

Beginning in the remittance advice 10/28/2022, provides will see three new Explanation of Benefit (EOB) codes post to their paid claims:

- EOB 1003 Claim used Tier A
- EOB 1004 Claim used Tier B
- EOB 1005 Claim used Tier C

These EOB's will post to the notify the provider which tier was used to determine the per diem rate for pricing the claim.

Additionally, there will be two new Error Status Codes (ESC) aka Edits:

- Edit 150 Provider assisted living level not on file.
 - Claim will suspend with this ESC when the provider's tier level is not on the provider's profile.
- Edit 151 Recipient assisted living level not on file.
 - Claim will suspend with this ESC when the recipient's tier level is not on file.
 - Recipient tier's can be verified on the Healthcare Portal.

The 2 edits above will deny with EOB 249 – No rate on file for date of service billed.

For questions, please contact Provider Representative:

Fidelia Williams-Edward at fidelia.williams@gainwelltechnologies.com or (401) 648-3759.

Assisted Living Provider Billing Split Tiers and Patient Share

If a recipient changes their tier level during the month, the charges will need to be billed as 2 separate claims. This is different from past billing procedures.

For example:

Recipient has Tier A from 11/1/2022 – 11/15/2022 and Tier B from 11/16/2022-11/30/2022. This would require 2 claims split to match the dates of service and units/days in each tier.

Additionally, it is important to check patient share on the Healthcare Portal to ensure that the share is entered to match the split in the tier level. If the share is not split and you bill two (2) claims for the month the share will be decremented twice.

If you do not see the patient share split you will need to contact Fidelia Williams-Edward of Gainwell Technologies at <u>fidelia.williams@gainwelltechnologies.com</u> or (401) 648-3759.

Nursing Home Transition Program and Money Follows the Person

The Nursing Home Transition Program and Money Follows the Person program (NHTP) can offer support to your facility, helping residents who are eligible for Medicaid return to the community, when appropriate.

Referrals to the program can come from nursing home staff, residents, family, or others. On receiving a referral, the NHTP Transition Team provides information and support to develop a plan and facilitate the transition, including coordinating community services and supports, helping find housing, obtaining necessary household goods and furniture, and assisting with the move.

Transition services are available to individuals who are directly served through the RI Medicaid office and those who are served by a managed care organization.

Following a move, the Team maintains weekly contact with an individual for the first thirty days and establishes a care management plan for subsequent follow up.

To refer someone interested in discussing options for returning to the community, complete a referral form and fax it to (401) 462-4266. The form can be found on the Rhode Island Executive Office of Health and Human Services website via a link on the Nursing Home Transition Program webpage: <u>https://eohhs.ri.gov/Consumer/NursingHomeTransitionProgram.aspx</u>.

We welcome your questions and feedback and are happy to meet with your staff. Please contact us by email at <u>ohhs.ocp@ohhs.ri.gov</u>, by telephone at (401) 462-6393 or individually using the information below.

What does this mean? Simply, that all other prescription benefits must be billed before billing ADAP.

When a RI AIDS Drug Assistance (ADAP) patient presents a prescription for a pharmacist to fill, the pharmacist should ask the patient to provide all cards for private prescription programs, Medicare Part D or Medicaid.

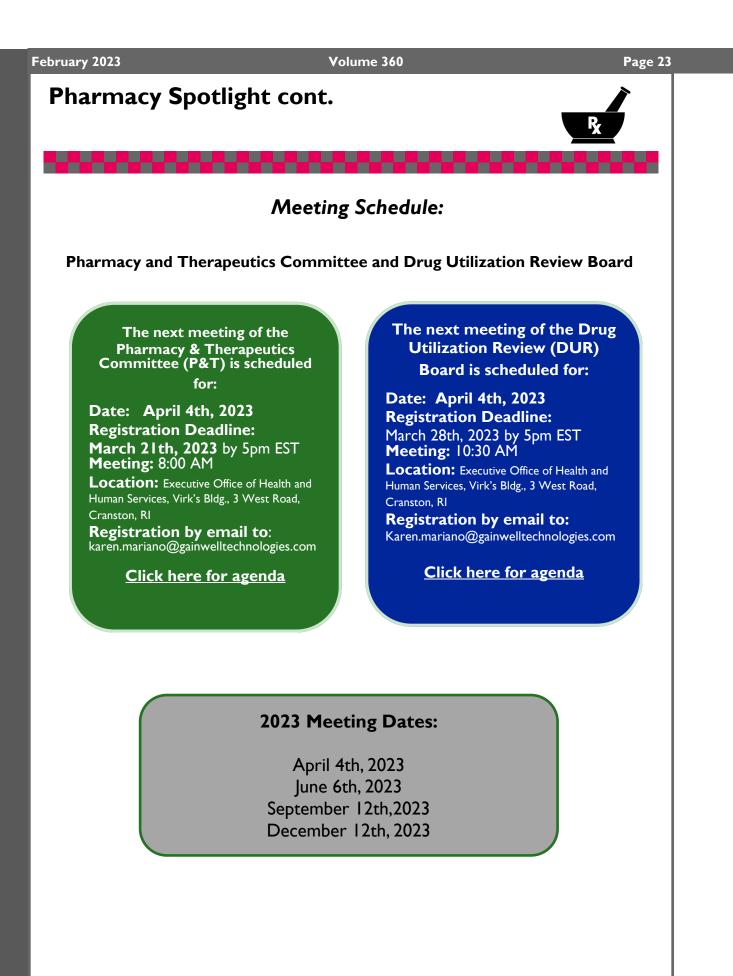

All non-ADAP prescription drug programs will be the primary payor. If the drug is covered under the scope of primary payer's program, then RI ADAP will pay the co-pay. If the drug is not covered by the primary payer's program, **and** ADAP covers the drug, then ADAP will pay the claim.

If the primary payor denies the claim because the drug requires prior authorization, then a PA must be sought from the primary payor.

At-Home COVID-19 Test Kits to Process at POS for RI FFS Medicaid

RI EOHHS Fee-for-Service (FFS) Medicaid program allows enrolled pharmacy providers to process At-Home COVID Test Kits at point of service (POS). As with any over-the-counter (OTC) product, coverage of the claim requires a prescription. The beneficiary may request a prescription from their FFS Medicaid enrolled prescriber, or use the standing order issued by Dr. Suzanne Bornschein, Medical Director COVID-19 Unit, RI Department of Health. Dr. Bornschein is an enrolled FFS prescriber. The standing order can be accessed at here: <u>standing-order-for-at-home-covid-test-kits-2.24.22.pdf (ri.gov</u>).

There is a quantity limit of eight (8) At-Home COVID Test Kits per thirty (30) days. Reimbursement is \$12.00 per test. Packaging with multiple tests will be reimbursed at \$12.00 per each test. For example, if the package contains two (2) tests, then the claim will be reimbursed at \$24.00.

Preparing for the Covid-19 Pandemic to Transition to an Endemic and the Public Health Emergency to End

WHAT IS THE STATUS OF THE PUBLIC HEALTH EMERGENCY?

The current **Public Health Emergency (PHE) began in January 2020** at the start of the COVID-19 pandemic and has since then been extended, 90 days at a time, by the federal Secretary of Health and Human Services. The federal Families First Coronavirus Response Act provided an enhanced Medicaid match rate to states that satisfied the continuous enrollment condition for most Medicaid beneficiaries during the PHE. States expect to receive at least 60 days advanced notice from the federal government prior to the end of the PHE.

WHEN THE PHE EXPIRES, WHAT WILL HAPPEN?

When the PHE ends, RI Medicaid will be required to redetermine each beneficiaries' eligibility prior to taking any action on a case over a 12-month period. EOHHS plans to share renewals requiring action with our managed care organizations on a monthly basis. We will also be charged by the federal government with processing valid terminations and identifying individuals likely eligible to transition from Medicaid to private health insurance. We have made several enhancements to our RI Bridges eligibility & enrollment system to auto-renew eligibility for a sizable population of beneficiaries based on current information on applications that we already have in the system, or information we can collect from external data sources. If we cannot redetermine eligibility using information on file, we will send out a request for additional information by mail and/or email telling beneficiaries what actions are pending with coverage, what action they need to take, and provide them with 30 days to respond. Not all clients will need to take action. If case details are confirmed to maintain eligibility; the beneficiary will receive a notice indicating benefit renewal. At any time, if someone disagrees with a decision regarding eligibility, they have the right to appeal by requesting a hearing. An appeal form will be included in the notice packet.

WHAT CAN YOU DO TO PREPARE?

The most important action you can take NOW is to have beneficiaries update their individual and family account information so that the program can send them the notices and information they need to maintain or transition coverage. If they have changed addresses, their phone number or email address, or had a change in income or household size, having current information helps the Medicaid program determine the continuation of eligibility and avoid the potential for inappropriate terminations or gaps in coverage. In addition to paper notices, beneficiaries can now opt-in to receive text message updates from Medicaid. These messages can help remind them when critical deadlines are approaching. They may also update their preference to receive email notifications. To update account information and communication preferences, beneficiaries can access us in several ways:

* Online: Access account at <u>https://healthyrhode.ri.gov/HIXWebI3/</u>. HealthSource RI (HSRI) also hosts a live web chat, which is staffed during business hours, and has live call center staff available to assist customers in English or Spanish. (Continued on p. 26).

Preparing for the Covid-19 Pandemic to Transition to an Endemic and the Public Health Emergency to End (continued from p.16)

WHAT CAN YOU DO TO PREPARE?

- **By Phone:** Call the RI Department of Human Services' (DHS) Call Center at 1-855-697-4347 (Monday through Friday, except holidays, from 8:30 a.m.- 3:00 p.m.) or HealthSource RI at 1-855-840-4774 (Monday through Friday, except holidays, from 8:00 a.m.- 6:00 p.m.)
- In Person: Staff at DHS offices (locations available <u>here</u>) can assist customers in person.

Encourage Medicaid beneficiaries to update their information using the attached graphics. Continue to participate in State-run meetings on this topic.

If beneficiaries are terminated from Medicaid, can they purchase a health plan?

If someone was on Medicaid when the PHE started, their coverage continued until they receive a notice from Medicaid stating otherwise. When the PHE ends and they receive a notice that they no longer qualify for Medicaid due to changes in income in their household, they may be eligible to enroll in a health plan through HSRI. They will have 60 days from the date listed on the termination notice to enroll in HSRI during your Special Enrollment Period. To avoid a gap in coverage, HSRI can help beneficiaries pick a new plan before their Medicaid coverage ends. They can also tell beneficiaries if they qualify for financial help to lower their costs. They can call HSRI at 1-855-840-4774 to speak to an enrollment specialist or visit https://healthsourceri.com/.
