

You're the Medicaid expert we've been waiting for.

We want to make Medicaid work better for members and we need your help. Join Rhode Island Medicaid's new Beneficiary Advisory Council (BAC) to share your experience with the program. Your voice can support policy and program changes.

If you have experience with Medicaid, we want to hear from you.

We are looking for you to be:

- + Enrolled in Medicaid currently or in the past
- + A family member of someone enrolled in Medicaid
- + A paid or unpaid caregiver of someone enrolled in Medicaid

BAC members will meet at least four times a year in convenient and accessible locations throughout the Rhode Island community. Meetings can take place in person, virtually, or hybrid. BAC members will get a stipend for their participation.
