

Looking for a career that can change lives?

A new employment opportunity is available through the Executive Office of Health and Human Services' Personal Care Attendant Registry.

New opportunity in a growing field

If you're beginning a career in healthcare or are looking for extra income, you'll find a great opportunity here.

A PCA has an important role in helping a program participant remain in their own home.

PCAs help with mobility, bathing, using the toilet, and grooming. A PCA also helps with preparing meals, shopping, or rides to appointments.

A PCA assists with these daily activities, so the program participant maintains independence and may remain in their home and community.

Do you like helping others? Are you:

- ✓ Compassionate
- ✓ Detail-focused
- ✓ A good communicator

You have the skills to improve the daily life of an older person or an adult with a disability.

Registration is easy. You must:

- Be over 18
- Be certified in CPR and First Aid, upload your certificates when applying
- Complete the State's free online orientation for the Personal Care Program
