Article I. BACKGROUND

This AGREEMENT ("Agreement") is made and entered into by the Rhode Island Executive Office of Health and Human Services ("EOHHS"), an administrative agency within the executive department of the State of Rhode Island having its principal office at the Virks Building, 3 West Road, Cranston, Rhode Island, 02920, and Oxford Health Plans (NJ), Inc. ("Medicare Advantage Plan" or "MA Health Plan"), a corporation organized under the laws of the State of New Jersey with a principal business address of 4 Research Drive, Shelton, CT 06484.

The MA Health Plan has entered into a contract ("MA Agreement") with the Centers for Medicare and Medicaid Services to provide a Medicare Advantage Prescription Drug Plan under Title XVIII and XIX of the Social Security Act, including Medicare Advantage Special Needs Plan that arrange for the provision of Medicare services for individuals who are dually eligible for both Medicare and Medicaid benefits.

Under the Medicare Improvement for Patients and Providers Act of 2008 ("MIPPA") and resulting regulations, CMS requires the MA Health Plan to enter into an agreement with Rhode Island documenting the MA Health Plan's obligations to provide or arrange for Medicaid benefits to be provided to dually eligible individuals. As a result, the MA Health Plan and EOHHS wish to enter into this agreement which will outline each party's obligations to provide or arrange for benefits for Dual Eligible Members.

In consideration of the premises and the mutual promises and undertakings contained herein, the parties agree to the following terms and conditions.

Article II. DEFINITIONS

Affiliate means with respect to any person or entity, any other person or entity which directly or indirectly controls, is controlled by or is under common control with such person or entity.

Care Coordination means the organized delivery of member care activities between two (2) or more participants (including the member) involved in a member's care to facilitate the appropriate delivery of Medicare and/or Medicaid health care services. Organizing care involves the marshaling of personnel and other resources needed to carry out all medically necessary member care activities and is often managed by the exchange of information among participants responsible for different aspects of care.

Centers for Medicare and Medicaid Services ("CMS") means the federal agency under the United States Department of Health and Human Services responsible for administering the Medicare and Medicaid programs.

Cost Sharing Obligations mean those financial payment obligations incurred by EOHHS in satisfaction of the Deductibles, Coinsurance, and Co-payments for the Medicare Part A and Part B services with respect to specified Dual Eligible Members. For purposes of this Agreement, Cost Sharing Obligations do not include: (1) Medicare premiums that EOHHS is required to pay under the State Plan on behalf of Dual Eligible Members, or (2) any other services that are covered solely by the Rhode Island Medicaid Program ("Medicaid")

Category	Medicare Part A Premiums	Medicare Part B Premiums	Medicare Cost Sharing (Except Part D)		Other Medicaid Benefits
			Part A	Part B	
QMB Only	x	x	x	x	
QMB Plus	x	x	x	x	x
FBDE	x	x	x	x	x
SLMB Plus		x	x	x	x
SLMB		x			
QI		x			
QDWI	x				

Days mean calendar days unless otherwise specified.

Dual Eligible means an individual who is entitled to Medicare Part A and/or Medicare Part B and is eligible for some form of Medicaid. The MA Health Plan may enroll only those categories of Dual Eligible individuals identified in Appendix A.

Dual Eligible Member means a Dual Eligible individual who is eligible and voluntarily enrolled in the MA Health Plan.

Dual Special Needs Plan ("D-SNP") means a specialized Medicare Advantage Prescription Drug Plan for special needs individuals who are entitled to medical assistance under a state plan under Title XIX of the Social Security Act that satisfies the requirements for such plans at 42 CFR § 422.2.

Full Benefit Dual Eligible Members ("FBDE") means an individual who is entitled to Medicare Part A and/or Part B and are eligible for full Medicaid benefits. FBDEs are eligible for Medicaid payment of Medicare premiums, deductibles, coinsurance, and co-payments (except for Medicare Part D) as well as full Medicaid benefits.

MA Agreement means the Medicare Advantage Agreement between the MA Health Plan and CMS to provide Medicare Part C and other health plan services to the MA Health Plan's members.

Medicare Advantage Prescription Drug ("MAPD") Plan means the CMS approved Medicare Advantage plan sponsored, issued, or administered by the MA Health Plan as defined at 42 CFR § 423.4 and includes, but is not limited to, Dual-Eligible Special Needs Plans as defined in the Medicare Advantage Regulations.

Qualified Disabled and Working Individuals ("QDWI") means an individual who lost their Medicare Part A benefits due to their return to work. They are eligible to purchase Medicare Part A benefits, have income of 200% FPL or less and resources that do not exceed twice the limit for SSI eligibility, and are not otherwise eligible for Medicaid. Medicaid pays the Medicare Part A premiums only.

Qualified Medicare Beneficiary ("QMB") means an individual who is entitled to Medicare Part A, has income that does not exceed 100% of the Federal Poverty Level (FPL), and whose resources do not exceed twice the Supplemental Security Income (SSI) limit. A QMB is eligible for Medicaid

payment of Medicare premiums, deductibles, coinsurance, and co-payments (except for Medicare Part D) ("QMB Medicaid Benefits").

- **QMB Only** – QMBs who do not qualify for any additional QMB Medicaid Benefits.
- **QMB Plus** – QMBs who also meet the financial criteria for full Medicaid coverage. QMB Plus individuals are entitled to QMB Medicaid Benefits, plus all benefits under the State Plan for fully eligible Medicaid recipients.

Qualifying Individuals ("QI") means an individual who is entitled to Medicare Part A, have income of at least 120% FPL, but less than 135% FPL, resources that do not exceed twice the limit for SSI eligibility, and are not otherwise eligible for Medicaid. Medicaid pays their Medicare Part B premiums only.

Specified Low-Income Medicare Beneficiary ("SLMB") means an individual who is entitled to Medicare Part A, has income that exceeds 100% FPL but less than 120% FPL, and resources do not exceed twice the SSI limit and are not otherwise eligible for Medicaid. A SLMB is eligible for Medicaid payment of Medicare Part B premium only.

- **SLMB Plus** – SLMBs that are entitled to Medicare Part A, have income of greater than 100% FPL, but less than 120% FPL and resources that do not exceed twice the limits for SSI eligibility, and are also eligible for full Medicaid coverage. Such individuals are entitled to Medicaid payment of the Medicare Part B premium, as well as full State Medicaid benefits.

State Plan means the State of Rhode Island's plan for the Medical Assistance Program as submitted by EOHHS and approved by the Secretary of the U.S. Department of Health and Human Services under Title XIX of the Social Security Act, as modified, or amended.

Subcontract means an agreement between the MA Health Plan and a third party under which the third party agrees to accept payment for providing health care services and/or administrative services for the MA Health Plan's members.

Subcontractor means a third party with which the MA Health Plan has a Subcontract.

Article III. MA HEALTH PLAN'S OBLIGATIONS

Section 3.01 *Service Area*

(a) The MA Health Plan will offer a Dual Special Needs Plan ("D-SNP") to the categories of Dual Eligible individuals identified on **Appendix A** who: (1) reside in the State, county, or zip code where the MA Health Plan offers the D-SNP, and (2) are otherwise eligible to enroll in the D-SNP. The MA Health Plan will also identify the service area of the D-SNP according to either counties or zip codes on **Appendix A**.

Section 3.02 *Enrollment*

(a) Prior to enrollment, the MA Health Plan will verify a potential Dual Eligible Member's Medicare eligibility. Unless a Dual Eligible is otherwise excluded under federal Medicare

Advantage plan rules, the MA Health Plan will accept all Dual Eligible individuals who select the MA Health Plan's D-SNP Plan without regard to physical or mental condition, health status or need for or receipt of health care services, claims experience, medical history, genetic information, disability, marital status, age, sex, national origin, race, color, or religion, and will not use any policy or practice that has the effect of such discrimination. Categories of Dual Eligible individuals eligible by this Agreement are reflected in **Table 1**.

Table 1: Enrollment Eligibility Categories

DUAL ELIGIBLE CATEGORY	ELIGIBLE FOR D-SNP
FBDE	YES
SLMB	YES
SLMB PLUS	YES
QDWI	YES
QI	YES
QMB ONLY	YES
QMB PLUS	YES

(b) Prior to enrollment, the MA Health Plan will verify a potential Dual Eligible Member's Medicaid eligibility. The MA Health Plan will also conduct ongoing eligibility verification of Dual Eligible Members. As outlined in **Article IV**, EOHHS will provide MA Health Plan with real-time access to the State's eligibility system or otherwise agree to a data exchange of information that allows the MA Health Plan to verify a potential Dual Eligible Member's current Medicaid status.

(c) The MA Health Plan may choose to use a Subcontractor to conduct eligibility verification outlined in this Section so long as the Subcontractor has met EOHHS' requirements for access to the State eligibility database.

Section 3.03 Benefits

(a) The MA Health Plan will provide the D-SNP pursuant to this agreement to Dual Eligible Members who are qualified and are enrolled to receive such services under the eligibility requirements of the D-SNP.

(b) The MA Health Plan is not responsible for providing or reimbursing any Medicaid benefits for Dual Eligible Members under this Agreement. The MA Health Plan will maintain current knowledge and familiarity of State Plan benefits through ongoing reviews of Rhode Island laws, rules, policies, and further guidance as posted on the EOHHS website. The MA Health Plan will provide timely coordination of State Plan benefits for its enrolled Dual Eligible Members as described in **Appendix B** of this Agreement. Rhode Island Medicaid covered services are described in Title XIX of the Social Security Act, 42 CFR §440 and §441; the EOHHS website; and other relevant materials.

(c) The MA Health Plan will identify for Dual Eligible Members in the D-SNP's Summary of Benefits those benefits the member may be eligible for under the State Plan that are not covered services under the Member's D-SNP. The D-SNP is responsible to coordinate access to such benefits. EOHHS is responsible for providing the D-SNP with the State Plan benefits outlined in **Appendix B**. The Medicaid covered benefits outlined in **Appendix B** include the medical, behavioral, and long-term services and supports (LTSS) benefit package for full dual eligible enrollees based on Medicaid eligibility determination. LTSS services are covered only when a Medicaid enrollee has been determined eligible for LTSS by EOHHS. All Medicaid covered services outlined in **Appendix B** are provided through the Medicaid FFS program.

Section 3.04 Coordination

(a) The MA Health Plan is responsible for care coordination of all benefits covered by both Medicare and Medicaid benefits delivered via Medicaid FFS for Dual Eligible Members. EOHHS will provide contact and resource information, to the extent available, that allows the MA Health Plan to access information regarding the State Plan, including Medicaid benefits, providers, case managers and waiver programs. Consistent with the MA Health Plan's Model of Care, coordination of care for Dual Eligible Members by the MA Health Plan will include the following:

i. Identifying in the MA Health Plan's Summary of Benefit those benefits the Dual Eligible Member may be eligible for under the State Plan that are not covered services under the D-SNP to the extent that EOHHS has provided State Plan benefit information outlined in **Article IV** and **Appendix B** of this agreement.

ii. Providing Dual Eligible Members with information (including contact information) and warm transfer to access Medicaid benefits upon the Dual Eligible Member's request or as identified by the case coordinator or other MA Health Plan staff.

iii. Participation and completion of Rhode Island Medicaid home and community-based services ("HCBS") training by member facing staff, especially care management and member services staff.

iv. Coordinating benefits directly with the EOHHS, its program representatives, contractors, and providers, including implementation of a process and procedure for the notification and sharing of LTSS care plans, as appropriate, to coordinate care and ensure continuity of care.

v. Coordinating access to Medicaid covered services upon the Dual Eligible Member's request or as identified by the MA Health's Plan's care coordinator. Such coordination may include, but is not limited to, identification of and referrals to needed services, assistance with Medicaid appeals and grievances, assistance in care planning, and assistance in obtaining appointments for needed services.

vi. Identifying Medicaid participating providers for the Dual Eligible Members to the extent EOHHS has provided such information as outlined in **Article IV** of this Agreement.

vii. Making information available to MA Health Plan's network providers regarding Medicaid so that they may assist Dual Eligible Members to receive needed services not covered by Medicare.

viii. Providing information to MA Health Plan's network providers about coordination of Medicaid and Medicare benefits for Dual Eligible Members.

(b) EOHHS will provide contact and resource information, to the extent available, that allows the MA Health Plan to access information regarding the State Plan, including the State Plan's Medicaid benefits, Medicaid providers, State Plan's case managers, and the State Plan's waiver program.

(c) For this Agreement, EOHHS defines "high-risk members" as all Dual Eligible Members enrolled in the D-SNP with the MA Health Plan. The MA Health Plan shall provide timely notification to EOHHS of all admissions, discharges, and transfers to a hospital and skilled nursing facility ("SNF"). "Timely notification" is defined as daily, automated file exchange. Every day, seven days a week, the D-SNP will upload a file to a Secure File Transfer Protocol ("SFTP") site. The file shall be organized and populated in accordance with the template mutually agreed upon by EOHHS and MA Health Plan and shall identify the MA Health Plan's Dual Eligible members who experienced a hospital or SNF admission that the MA Health Plan was made aware of within the previous 48 hours.

Section 3.05 *Enrollee Cost Sharing Protections*

(a) Rhode Island does not allow any nominal Medicaid copayments to be charged to the population(s) eligible for enrollment in the MA Health Plan's D-SNP under its state plan for medical assistance. Therefore, per Sections 1902(n)(3)(B) and Section 1852(a)(7) of the Social Security Act and 42 CFR 422.504(g)(1)(iii), the MA Health Plan may not charge any QMB, QMB+, SLMB+, or other Full-Benefit Dually Eligible (FBDE) enrollee of the MA Health Plan's D-SNP any cost sharing for any Medicare A or B service rendered by one of the MA Health Plan's network providers, except in the rare case of Medicare A or B services that are not covered under Rhode Island's Medicaid State Plan or Rhode Island's Medicaid waiver, wherein SLMB+ and other FBDE enrollees in the MA Health Plan's D-SNP may be charged the full Medicare cost-sharing amount specific within the D-SNP's plan benefit package. SLMB, QI, QDWI enrollees are responsible for covering their own cost-sharing amounts for Medicare A and B services.

(b) The MA Health Plan's member materials shall:

i. Clearly describe the cost-sharing amounts corresponding to each Part A and B service covered under the MA Health Plan's D-SNP and the enrollee populations to whom those cost-sharing amounts apply (specifically, the D-SNP's enrollees listed in **Appendix A**)

ii. Make clear that QMB and QMB+ enrollees will not owe any Medicare cost-sharing amounts for any Medicare A or B services rendered by a provider in the MA Health Plan's network or an out-of-network provider who is enrolled in Medicare.

iii. Make clear that SLMB+ and other FBDE enrollees will not be held liable for cost-sharing amounts associated with Medicare A and B services rendered by the MA Health Plan's network providers if the services are also covered under Rhode Island's Medicaid State Plan.

(c) The MA Health Plan's provider agreements shall specify that:

i. For services rendered to the MA Health Plan's enrollees that are eligible for both Medicare and Medicaid, contracted providers will: (1) accept the MA Health Plan's Medicare reimbursement as payment in full or bill Rhode Island Medicaid as applicable for any additional Medicare cost sharing payments that may be reimbursable by Medicaid, and (2) refrain from imposing cost-sharing that exceeds the amount of cost-sharing that would be permitted with respect to the individual under Title XIX if the individual were not enrolled in such a plan.

(d) If the MA Health Plan is made aware of a provider inappropriately billing a dual eligible member for cost-sharing, the MA Health Plan will provide reeducation to the provider.

(e) The MA Health Plan must track each enrollee's accrued out-of-pocket spending and alert enrollees and providers when the maximum out-of-pocket (MOOP) amount is reached, in accordance with federal regulations at 42 CFR §422.100(f)(4) and §422.100(f)(5)(iii) and 42 CFR §422.101(d).

Section 3.06 Third Party Liability & Coordination of Benefits

(a) EOHHS is responsible for adjudicating the cost-share obligations under the State Plan. The MA Health Plan will adjudicate and pay claims in accordance with Medicare rules and regulations and provide evidence of payment information to providers, which identifies coordination amounts for their claim submission to the State Plan. Pursuant to the State Plan, EOHHS will remain financially responsible for cost-sharing obligations and Medicaid benefits for Dual Eligible Members. EOHHS may have financial responsibility for Medicare Part A and/or Part B premiums for Dual Eligible Member. EOHHS is not responsible for payment of Medicare Advantage premiums for mandatory or optional supplemental benefits, unless specifically prescribed in the State Plan.

Section 3.07 Required Program Reports

(a) Clinical Data

i. The MA Health Plan must report clinical indicator data to EOHHS for all Dual Eligible Members in accordance with the specific HEDIS measures developed for Medicare Advantage Special Needs Plans (SNPs) by the National Commission on Quality Assurance ("NCQA"). The MA Health Plan must comply with, and report to EOHHS, the HEDIS SNP Measures as required and approved by NCQA and CMS and report to EOHHS on the same time schedule required by CMS.

ii. The HEDIS measures must be collected according to HEDIS specifications or other specifications as specified by EOHHS and reported to EOHHS annually, unless CMS requires submission of those materials on a different time schedule.

(b) Consumer Assessment of Healthcare Providers and Services ("CAHPS") Data

   i. The MA Health Plan must submit CAHPS data for its Dual Eligible members described in Appendix A to EOHHS annually, on the anniversary of the start date of the Agreement.

Section 3.08 *Model of Care*

(a) The MA Health Plan agrees to provide EOHHS on an annual basis its approved Model of Care ("MOC") to ensure alignment with EOHHS expectations and care coordination of Medicaid benefits.

(b) The State may work with the Contractor to identify and include additional elements in the MOC in future contract years, to further support shared goals around care coordination, service integration, and improved member outcomes.

Section 3.09 *Marketing and Member Materials*

(a) The MA Health Plan agrees to provide EOHHS with its marketing strategy and approach for new members and any materials that provide information specific to Medicaid services for EOHHS review, which shall include, at a minimum, the Evidence of Coverage (Member Handbook), Annual Notice of Change and Summary of Benefits

Article IV. DEPARTMENT OBLIGATIONS

Section 4.01 *Eligibility Verification*

(a) EOHHS agrees to provide the MA Health Plan or its Subcontractors with real-time access to information that permits the MA Health Plan to verify eligibility of potential and/or existing Dual Eligible Members. EOHHS will provide the MA Health Plan with information within a reasonable time frame to allow the MA Health Plan to identify the specific categories of eligibility of Dual Eligible Members. Information obtained by the MA Health Plan from EOHHS's eligibility verification system shall not be used by the MA Health Plan for marketing purposes. In collaboration with EOHHS, the MA Health Plan shall implement a process to inform enrollees of their annual Medicaid re-certification period through education and application assistance.

Section 4.02 *Sharing of Information*

(a) The MA Health Plan will obtain certain pieces of information from EOHHS to comply with CMS requirements for D-SNPs. In particular:

   i. EOHHS will provide the MA Health Plan with a list of Medicaid services and products for which Dual Eligible Members are eligible for under the State Plan on an annual basis, in **Appendix B**. EOHHS will provide the aforementioned information on an ad-hoc basis if significant changes occur during the middle of the year. EOHHS will provide the aforementioned information by May of the preceding year if CMS requires the MA Health Plan to provide such information in the MA Health Plan's Summary of Benefits and/or Evidence of Coverage.

ii. EOHHS will provide the MA Health Plan with an electronic data file containing Medicaid participating providers in a mutually agreed upon format. Once EOHHS provides an electronic data file list of participating Medicaid providers, the MA Health Plan will list in their provider directory those health care providers that are participating in both Medicaid FFS and the D- SNP's provider network.

Article V. AGREEMENT TERM & TERMINATION OF AGREEMENT

Section 5.01 *Agreement Term*

(a) The initial term of this Agreement will begin on **January 1, 2026** (the "Effective Date") and end on **December 31, 2026**.

Section 5.02 *Termination of Agreement*

(a) This Agreement may be terminated by mutual agreement of the parties. Such agreement must be in writing. The effective date of termination is dependent on any pertinent CMS requirements, including CMS requirements related to notification of Dual Eligible Members.

(b) In the event CMS notifies the MA Health Plan that the MA Health Plan will not be permitted to continue offering a D-SNP (or plan benefit package) that is listed in **Appendix A**, the MA Health Plan may terminate this Agreement by notifying EOHHS. The termination will be effective on the date specified in CMS' notification to the MA Health Plan's.

(c) In the event of termination pursuant to this Section, EOHHS will continue to provide the MA Health Plan access to the EOHHS eligibility database through the end of the MAPD plan year for purposes of confirming Medicaid eligibility. In addition, the parties shall discuss whether to enter an alternative arrangement for the exchange of Medicaid eligibility information.

Article VI. DISPUTE RESOLUTION

Section 6.01 *General Agreement of the Parties*

(a) The parties mutually agree that the interests of fairness, efficiency, and good business practices are best served when the parties employ all reasonable and informal means to resolve any dispute under this Agreement. The parties express their mutual commitment to using all reasonable and informal means of resolving disputes prior to invoking a remedy provided elsewhere in this Section.

Section 6.02 *Duty to Negotiate in Good Faith*

(a) Any dispute that in the judgment of any party to this Agreement may materially or substantially affect the performance of this Agreement will be reduced to writing and delivered to the other party. The parties must then negotiate in good faith and use every

reasonable effort to resolve such dispute, and the parties shall not resort to any formal proceedings unless they have reasonably determined that a negotiated resolution is not possible. The resolution of any dispute disposed of by agreement between the parties shall be reduced to writing and delivered to all parties within ten (10) business days.

Section 6.03 Arbitration

(a) If the parties are unable to resolve any dispute arising under this Agreement within sixty (60) Days following the date one party sent written notice of the Dispute to the other party, and if either party wishes to pursue the dispute, it shall thereafter be submitted to binding arbitration in accordance with the Commercial Dispute Procedures of the American Arbitration Association, as they may be amended from time to time (see https://www.adr.org). Unless otherwise agreed to in writing by the parties, the party wishing to pursue the dispute must initiate the arbitration within one (1) year after the date on which notice of the dispute was given or shall be deemed to have waived its right to pursue the dispute in any forum.

(b) Any arbitration proceeding under this Agreement shall be conducted in Rhode Island. The arbitrator(s) may construe or interpret but shall not vary or ignore the terms of this Agreement and shall be bound by controlling law. The arbitrator(s) shall have no authority to award punitive, exemplary, indirect, or special damages, except in connection with a statutory claim that explicitly provides for such relief.

(c) The parties expressly intend that any dispute relating to the business relationship between them be resolved on an individual basis so that no other dispute with any third party(ies) may be consolidated or joined with the dispute related to this Agreement. The parties agree that any arbitration ruling by an arbitrator allowing class action arbitration or requiring consolidated arbitration involving any third party(ies) would be contrary to their intent and would require immediate judicial review of such ruling.

(d) The decision of the arbitrator(s) on the points in dispute will be binding, and judgment on the award may be entered in any court having jurisdiction thereof. The parties acknowledge that because this Agreement affects interstate commerce the Federal Arbitration Act applies.

(e) In the event any court determines that this arbitration. procedure is not binding or otherwise allows litigation involving a dispute to proceed, the parties hereby waive all right to trial by jury in, or with respect to, such litigation. Such litigation would instead proceed with the judge as the finder of fact.

(f) This Section shall govern any dispute between the parties arising before or after execution of this Agreement and shall survive any termination of the Agreement.

Article VII. MISCELLANEOUS PROVISIONS

Section 7.01 *Entire Agreement*

(a) This Agreement contains the entire understanding between the parties hereto with respect to the subject matter of this Agreement and supersedes any prior understandings, agreements, or representations, written or oral, relating to the subject matter of this Agreement.

Section 7.02 *Signatures & Counterparts*

(a) This Agreement will be effective only when signed by both parties. This Agreement may be executed in separate counterparts, each of which will be an original and all of which taken together will constitute one and the same agreement, and a party hereto may execute this Agreement by signing any such counterpart. This Agreement may be signed by means of electronic signatures.

Section 7.03 *Non-Debarment*

(a) The MA Health Plan represents that neither it nor any of its principals is presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from participation in any state or federal health care program.

Section 7.04 *Severability*

(a) Whenever possible, each provision of this Agreement will be interpreted in such a manner as to be effective and valid under applicable law. If any provision of this Agreement is held to be invalid, illegal, or unenforceable under any applicable law or rule, the validity, legality, and enforceability of the other provisions of this Agreement will not be affected or impaired thereby.

Section 7.05 *Successors & Assigns*

(a) This Agreement will be binding upon and inure to the benefit of the parties and their respective heirs, personal representatives and, to the extent permitted by Section 7.06, successors, and assigns.

Section 7.06 *Assignment*

(a) This Agreement and the rights and obligations of the parties under this Agreement will be assignable, in whole or in part, by the MA Health Plan with:

   i. prior notice if to an MA Health Plan Affiliate or

   ii. with the prior written consent of EOHHS's point of contact identified in Section 7.08.

Section 7.07 *Modification, Amendment, or Waiver*

(a) No provision of this Agreement may be modified, amended, or waived except by a written signed by parties to this Agreement. No course of dealing between the parties will modify,

amend, or waive any provision of this Agreement or any rights or obligations of any party under or by reason of this Agreement.

Section 7.08 *Notices*

(a) All notices, consents, requests, instructions, approvals, or other communications provided for herein will be in writing and delivered by personal delivery, overnight courier, United States mail, or electronic facsimile addressed to the receiving party at the address set forth herein. All such communications will be effective when received.

(b) A party may change the contact information set forth above by giving written notice to the other party.

Rhode Island Executive Office of Health & Human Services	Oxford Health Plans (NJ), Inc
Kristin Sousa	Michael Florczyk
Medicaid Program Director	Chief Executive Officer
3 West Road, Virks Building Cranston, RI, 02918	475 Kilvert Street, Suite 310 Warwick, RI 02886

Section 7.09 *Headings*

(a) The headings and any table of contents contained in this Agreement are for reference purposes only and will not in any way affect the meaning or interpretation of this Agreement.

Section 7.10 *Compliance with Federal and State Law*

(a) The parties agree to comply with all relevant federal and state laws, including but not limited to the following: Bipartisan Budget Act of 2018 and its implementing regulations issued by CMS; the Medicare Improvements for Patients and Providers Act of 2008 and its implementing regulations issued by CMS; 42 CFR Part 422; Title VI of the Civil Rights Act of 1964, as amended (42 USC § 2000d et seq.); Sections 503 and 504 of the Rehabilitation Act of 1973, as amended (29 USC §§ 793 and 794); Title IX of the Education Amendments of 1972, as amended (20 USC§ 1681 et seq.); Section 654 of the Omnibus Budget Reconciliation Act of 1981, as amended (41 USC § 9849); the Americans with Disabilities Act (42 USC § 12101 et seq); and the Age Discrimination Act of 1975, as amended (42 USC § 6101 et seq.).

Section 7.11 *Governing Law & Venue*

(a) This Agreement is governed by the laws of the State of Rhode Island and interpreted in accordance with Rhode Island law, except to the extent preempted by federal law. Provided the parties first comply with the procedures set forth in **Article VI**, "Dispute Resolution,"

proper venue for claims arising from this Agreement will be in a court of competent jurisdiction in Rhode Island.

Section 7.12 *No Third-Party Beneficiaries*

(a) Nothing in this Agreement, express or implied, is intended to confer upon any other person any rights, remedies, obligations, or liabilities of any nature whatsoever.

Section 7.13 *Publicity*

(a) Except as otherwise required by this Agreement of by law, no party will issue or cause to be issued any press release or make or cause to be made any other public statement as to this Agreement or the relationship of the parties, without providing notice to the other party of the contents and manner of presentation and publication thereof and receiving that other party's written consent. Either party shall have the ability to specifically request that prior consent shall be provided to release information publicly and the parties shall negotiate in good faith regarding whether such request can be accommodated.

Section 7.14 *No Waiver*

(a) No delay on the part of either party in exercising any right under this Agreement will operate as a waiver of such right. No waiver, express or implied, by either party of any right or any breach by the other party will constitute a waiver of any other right or breach by the other party.

Section 7.15 *Confidential Information*

(a) EOHHS agrees that information that the MA Health Plan submits under this Agreement will be treated as non-public information to the extent permitted by law.

Section 7.16 *Acknowledgement of Awareness*

(a) By executing this Agreement, the MA Health Plan acknowledges it is aware of and understands the following:

   i. The State continues to value the opportunities for increased integration of care and improved health outcomes that the alignment of Medicaid and Medicare systems could provide. The State views increased alignment as a key strategy for achieving its LTSS program goals. In support of these values, the State is actively exploring the potential development of a Managed Medicaid Long-Term Services and Supports (MLTSS) program for dually eligible individuals who currently receive Fee-For-Service LTSS.

   ii. The State continues to view D-SNPs as a critical component of any future MLTSS program and as an important mechanism for aligning and integrating care for dually eligible members.

   iii. In anticipation of potential future MLTSS implementation, the State is considering limiting future D-SNP participation to only those D-SNPs affiliated with a Medicaid Managed Care Organization (MCO) that is awarded a contract under the potential MLTSS program. The State views this approach as the most effective

means to ensure sustainable and meaningful alignment and integration between Medicaid and Medicare services in a future MLTSS.

iv. In the contract years prior to MLTSS implementation, the State anticipates continually developing and enhancing its State Medicaid Agency Contract (SMAC) requirements with D-SNPs operating in the State. The State intends to build more robust partnerships and increased collaboration with all MA Health Plan contractors to effectively advance integration goals for Rhode Island's dually eligible members; to improve health outcomes for dually-eligible individuals in Rhode Island through increase alignment of care; and to best position the State for future MLTSS program successes.

MEDICAID BENEFITS COORDINATED BY THE MA HEALTH PLAN

Service	Benefit Detail
Adult Day Health	Covered as needed based on medical necessity. Day programs for frail seniors and other adults who need supervision and health services during the daytime. Adult Day Health programs offer nursing care, therapies, personal care assistance, social and recreational activities, meals, and other services in a community group setting. Adult Day Health programs are for adults who return to their homes and caregivers at the end of the day.
AIDS Medical Case Management	Medical Care Management services (including treatment adherence) are a range of patient-centered services that link Enrollees with health care, psychosocial, and other services. The coordination and follow-up of medical treatments are components of medical Care Management. These services ensure timely and coordinated access to medically appropriate levels of health and support services and continuity of care, through ongoing assessment of the Enrollee's and other key Family members' needs and personal support systems. Medical Care Management includes the provision of treatment adherence counseling to ensure readiness for, and adherence to, complex HIV/AIDS treatments. Key activities include: 1. Intake 2. Assessment of service needs 3. Development of a comprehensive ICP 4. Coordination of services required to implement the ICP 5. Monitoring the ICP to assess the efficacy of the plan, and 6. Periodic re-evaluation and adaptation of the plan as necessary over the time the Enrollee is enrolled in services. It includes client-specific advocacy and/or review of utilization of services. This includes all types of case management including face-to- face, phone contact, and any other form of communication. A series of metrics and quality performance measures for HIV medical Care Management for PLWH/As will be collected by Health Care Professionals and are required outcomes for delivering this service. The Contractor shall provide reporting on these services to EOHHS, at a frequency determined by EOHHS.
Ambulance Services	Emergency and non-emergent medical transportation for patients who cannot sit, stand, or walk. Only ground transportation is covered. Wheelchair or air

Service	Benefit Detail
	transportation is not a covered service. The type of trip (emergency/non-emergent) must be consistent with the diagnosis of the patient transported (e.g., a trip billed as emergency transport would not be covered if the patient had a non-emergent diagnosis)
Assisted Living	*LTSS eligibility as determined by EOHHS is required to receive these services.* The Rhode Island Medicaid program covers assisted living services in State-licensed Assisted Living Residences (ALRs) that are certified to participate in the LTSS program. Covered services include on-site, twenty-four (24) hour personal care assistance, homemaker and chore services, medication management, therapeutic, social and recreational activities, and health-related transportation.
Behavioral Health (Outpatient & Inpatient)	Covered as needed for all Members. Include a full continuum of Mental Health and Substance Use Disorder treatment, including but not limited to: • Community- based narcotic treatment • Methadone, community- or hospital-based detox • Substance use residential • Mental health psychiatric rehabilitative residence (MHPRR) • Psychiatric rehabilitation day programs • Assertive Community Treatment (ACT) and Integrated Health Home (IHH) as described the *Integrated Health Homes Rhode Island SMI Program Description* and *Integrated Health Home (IHH) and Assertive Community Treatment (ACT) Program Provider Billing Manual* • Services for individuals at CMHCs • Intensive outpatient services; and • Crisis intervention services. This also includes Psychiatric Residential Treatment Facilities and Acute Residential Treatment Services. CCBHC Services are covered and detailed further in the CCBHC Manual.
BH Link	The MA Health Plan is expected to coordinate with BH Link for qualifying members.
Community Health Worker (CHW) Services	Available to dual eligible Members who have one or more chronic health (including behavioral health) conditions, who are at a risk for chronic health

Service	Benefit Detail
	condition, and who face barriers meeting their health or health-related social needs.
Community Transition Services	*LTSS eligibility as determined by EOHHS is required to receive these services.* Community transition services are non-recurring set-up expenses for individuals who are transitioning from an institutional or another provider-operated living arrangement to a living arrangement in a private residence where the individual is directly responsible for their own living expenses. Allowable expenses are those necessary to enable an individual to establish a basic household that does not constitute room and board and may include security deposits that are required to obtain a lease on an apartment or home; essential household furnishings and moving expense; set-up fees or deposits for utility or service access; and services necessary for the individual's health and safety and activities to assess need arrange for and procure needed resources. Community transition services are furnished only to the extent that they are reasonable and necessary as determined through the Community Transition Plan development process and clearly identified in the Community Transition Plan and the individual is unable to meet such expense or when the services cannot be obtained from other sources. They do not include ongoing shelter expenses, food, regular utility charges, household appliances, or items intended for recreational purposes.
Court-Ordered Mental Health and Substance Use Treatment – Civil Court	All Civil Mental Health Court Ordered Treatment must be provided in totality as an in-plan benefit. All regulations in the following State of Rhode Island General Laws must be followed: • R.I.G.L. Title 40.1, Behavioral Healthcare, Developmental Disabilities and Hospitals • R.I.G.L. Chapter 40.1- 5, Mental Health Law, • R.I.G.L. § 40.1-5-5, Admission of patients generally, et. al. If the length of stay is not prescribed on the court order, the FFS Medicaid may conduct Utilization Review on the length of stay. Note the following are facilities where treatment may be ordered: • The Eleanor Slater Hospital • Our Lady of Fatima Hospital • Rhode Island Hospital (including Hasbro) • Landmark Medical Center

Service	Benefit Detail
	• Newport Hospital • Roger Williams Medical Center • Butler Hospital (including the Kent Unit) • Bradley Hospital • Community Mental Health Centers, Riverwood, and Fellowship. Civil Court Ordered Treatment can be from the result of: • Voluntary Admission • Emergency Certification • Civil Court Certification Court ordered treatment is exempt from the fourteen (14) Day prior authorization requirement for residential treatment.
Court-Ordered Mental Health and Substance Use Services – Criminal Court	Covered for all members. Treatment must be provided in totality, as directed by the Court or other State official or body (i.e., a Probation Officer, The Rhode Island State Parole Board). If the length of stay is not prescribed on the court order, FFS Medicaid may conduct Utilization Review on the length of stay. The MA Health Plan must offer appropriate transitional care management to persons upon discharge and coordinate FFS Medicaid benefits and/or arrange for in-plan medically necessary services to be in place after a court order expires. The following are examples of Criminal Court Ordered Benefits that must be provided in totality as an in-plan benefit: • *Bail Ordered:* Treatment is prescribed as a condition of bail/bond by the court. • *Condition of Parole:* Treatment is prescribed as a condition of parole by the Parole Board. • *Condition of Probation*: Treatment is prescribed as a condition of probation. • *Recommendation by a Probation State Official:* Treatment is recommended by a State official (Probation Officer, Clinical social worker, etc.). • *Condition of Medical Parole:* Person is released to treatment as a condition of their parole, by the Parole Board.

Service	Benefit Detail
Chiropractic Services	Per R.I. Public Law 24079-09, coverage is available for medically necessary chiropractors' services within their scope of practice as defined by state law and subject to the following limitations. The service is limited to twelve (12) visits that include treatment, annually. Medically necessary chiropractic services beyond the annual limit of twelve (12) visits, are subject to prior authorization requirements. X-Ray services are not reimbursable under this benefit for FFS.
Day Supports	*LTSS eligibility as determined by EOHHS is required to receive these services.* Assistance with acquisition, retention, or improvement in self-help, socialization, and adaptive skills. Day supports focus on enabling the individual to attain or maintain their maximum functioning level and are coordinated with any other services identified in the individual's LTSS Care Plan.
Dental Services (Oral Health)	Adults aged 21 and over: • Preventive Services: Two (2) cleanings per calendar year. Fluoride varnish allowed for adults if high caries risk per caries risk assessment. • Diagnostic & Radiology Services: Two (2) oral exams per calendar year. Bitewing and full series X-rays, biopsies of oral tissue, all medically necessary diagnostic evaluations and radiographic/diagnostic images. • Endodontic Services Complete root canal therapy for anterior teeth, intraoperative radiographs, , and limited other medically necessary endodontic services. • Restorative Services Limited restorative services, including amalgams, resins, and other medically necessary restorative services. • Periodontal Services Gingival curettage, gingivectomy, when medically necessary, scaling and root planning with prior authorizations, and limited other periodontal procedures. • Prosthodontic Services Partial or full dentures, relines and adjustments, partial or full dentures, and limited other medically necessary prosthodontic procedures. • Emergency and Palliative Services Medically necessary emergency dental services, all palliative services, including routine and surgical extractions, incisions, and drainage of abscesses. • Oral Surgery: Covered when medically necessary.
Diagnostic Services	Covered when ordered by a Health Care Professional.

Service	Benefit Detail
Doula Services	Covered when medically necessary. Services are covered during the prenatal period, during delivery, and up to twelve (12) months post-partum.
Durable Medical Equipment	Covered as ordered by a physician as medically necessary. A guide to covered DME Items can be found in the provider manual.
Emergency Room Services and Emergency Transportation Services	Covered both in- and out-of-State, for Emergency Services, or when authorized by a Contractor's Health Care Professional, or to assess whether a condition warrants treatment as an Emergency Service.
Environmental Modifications (Home Accessibility Adaptations)	*LTSS eligibility as determined by EOHHS is required to receive these services.* Physical adaptations to the home of the Enrollee or the Enrollee's Family that are necessary to ensure the health, welfare, and safety of the Enrollee or that enable the Enrollee to attain or retain capability for independence or self-care in the home and to avoid institutionalization and are not covered or available under any other funding source. A completed home assessment by a specially trained and certified rehabilitation professional is also required. Such adaptations may include the installation of modular ramps, grab bars, vertical platform lifts and interior stair lifts. Excluded are those adaptations that are of general utility and are not of direct medical or remedial benefit to the member. Excluded are any re-modeling, construction, or structural changes to the home, i.e. (changes in load bearing walls or structures) that would require a structural engineer, architect and/or certification by a building inspector. Adaptations that add to the total square footage of the home are excluded from this benefit. All adaptations shall be provided in accordance with applicable State or local building codes and prior approved on an individual basis by Medicaid is required. Items should be of a nature that they are transferable if a member moves from their place of residence.
Family Planning Services	Members have the freedom of choice of providers for Family Planning services.
Financial Management Services (Fiscal Intermediary)	*LTSS eligibility as determined by EOHHS is required to receive these services.* Payroll services for the self-directed care program individuals responsible for all taxes, fees, and insurances required for the self-directed care program. The individual is to act as an employer of record; manage all non-labor related payments for goods and services authorized in the participant's approved spending plan; assure that all payments made comply with the person's approved spending plan and conduct criminal background and abuse registry screens of all Member's employees.

Service	Benefit Detail
Group/Individual Education Programs	Including healthy lifestyles/weight management, wellness, weight loss, and tobacco cessation programs and services.
HIV/AIDS Non-Medical Targeted Case Management for People Living with HIV/AIDS and those at High Risk for acquiring HIV	Covered for Members living with HIV/AIDS and for those at high risk for acquiring HIV. These services provide a series of consistent and required steps such that all Enrollees are provided with an intake, assessment, and care plan. Health Care Professionals must utilize an acuity index to monitor Enrollee severity. Care Management services are specifically defined as services furnished to assist Enrollees who reside in a community setting or are transitioning to a community setting to gain access to needed medical, social, educational and other services, such as housing and transportation. Targeted Care Management can be furnished without regard to Medicaid State-wideness or comparability requirements. This means that targeted Care Management services may be limited to a specific group of individuals (e.g., HIV/AIDS, by age or health/mental health condition) or a specific area of the State. Services may include but are not limited to: • Benefits/entitlement counseling and referral activities to assist eligible Enrollees to obtain access to public and private programs for which they may be eligible • All types of Care Management encounters and communications (face-to-face, telephone contact, other) • Categorical populations designated as high risk, such as sex workers A series of metrics and quality performance measures for both HIV Care Management for PLWH/As and those at high risk for HIV will be collected by Health Care Professionals and are required outcomes for delivering this service.
Homemaker	*LTSS eligibility as determined by EOHHS is required to receive these services.* Services that consist of the performance of general household tasks (e.g., meal preparation and routine household care) provided by a qualified homemaker when the individual regularly responsible for these activities is temporarily absent or unable to manage the home and care for themselves or others in the home. Homemakers shall meet such standards of education and training as are established by the State for the provision of these activities.
Home Delivered Meals	*LTSS eligibility as determined by EOHHS is required to receive these services.* The delivery of hot meals and shelf staples to the individual's residence. Meals are available to individuals unable to care for their nutritional needs because of a functional dependency/disability and who require this assistance to live in the

Service	Benefit Detail
	community. Meals provided under this service will not constitute a full daily nutritional requirement. Meals must provide a minimum of one-third of the current recommended dietary allowance. Provision of home delivered meals will result in less assistance being authorized for meal preparation for individual participants, if applicable.
Home Health Services (Skilled Services)	Covered when provided at a Member's place of residence, on their physician's orders as part of a written plan of care that the physician reviews every sixty (60) Days except for DME as specified at 42 C.F.R 440.70(b)(3). Nursing services, home health aide services, DME, physical therapy, occupational therapy and speech pathology are required services. Home Health services should not prohibit a Member from receiving home health services in any setting in which normal life activities take place, other than a hospital; nursing facility; intermediate care facility for individuals with intellectual disabilities; or any setting in which payment is or could be made under Medicaid for inpatient services that include room and board. Home Health services cannot be limited to services furnished to beneficiaries who are homebound.
Hospice Services	Covered as ordered by a Health Care Professional. Available to individuals who require palliative and end-of-life care.
Interpreter Services	Covered as needed.
Inpatient Hospital Care	Covered as needed. Including, but not limited to, bed and board in semi-private rooms, medical and social services, drugs, and biologicals for use in the hospital, supplies, appliances, and equipment for use in the hospital, and other diagnostic or therapeutic items or services not specifically listed but which are ordinarily furnished to inpatients.
Laboratory Services	Covered when ordered by a Health Care Professional and includes urine drug screens.
Home Care (Personal Care & Homemaker Services) (Unskilled Services)	Personal care services provide direct support to an individual in performing activities of daily living (e.g., bathing, dressing, earing, grooming, mobility, toileting, and transferring) that the individual would normally do for themselves if they did not have a health condition preventing them from doing so. Personal care services may be provided to non-LTSS members by a nursing assistant licensed by the RI Department of Health, through a state-licensed home care/home health agency. Homemaker services include help with general household tasks such as meal preparation and routine household care provided by a qualified homemaker when a person can no longer do these tasks on their

Service	Benefit Detail
	own and has no other person available to help. Maximum hours for non-LTSS personal care and/or homemaker services (combined) are six (6) hours per week for an individual or ten (10) hours per week for a household with two (2) or more eligible individuals.
Medication Assisted Therapy	All Federally qualified therapies are covered.
Minor Environmental Modifications	Minor modifications to the home may include grab bars, versa frame (toilet safety frame), handheld shower and/or diverter valve, raised toilet seats, and other simple devices or appliances, such as eating utensils, transfer bath bench, shower chair, aids for personal care (e.g., reachers), and standing poles to improve home accessibility adaption, health, or safety.
Non- Prescription Drugs	Covered when prescribed by a Health Care Professional. Limited to non-prescription drugs as described in the *Medicaid Managed Care Pharmacy Benefit Plan Protocols.* • Includes nicotine cessation supplies ordered by a physician. • Includes medically necessary nutritional supplements ordered by a physician.
Nursing Home Care and Skilled Nursing Facility Care	*LTSS eligibility as determined by EOHHS is required to receive these services, excluding skilled short stays under 30 days.* All skilled and custodial care covered, up to three-hundred sixty-five (365) days a year, when ordered by a Health Care Professional.
Nutrition Services	Covered when provided by a registered or licensed dietitian.
Opioid Treatment Program Health Home	Covered as needed for opioid dependent Members who are receiving or who meet criteria for medication assisted treatment and have or are at risk for another chronic health condition.
Optometry Services	Benefit is limited to examinations that include refractions and provision of eyeglasses if needed once every two (2) years. Eyeglass lenses are covered more than once in two (2) years only if medically necessary. Eyeglass frames are covered only every two (2) years. Annual eye exams are covered for members who have diabetes. Other medically necessary treatment visits for illness or injury to the eye are covered.

Service	Benefit Detail
Outpatient Hospital Services	Covered as needed based on medical necessity. Includes physical therapy, occupational therapy, speech therapy, language therapy, hearing therapy, respiratory therapy, and other Medicaid covered services delivered in an outpatient hospital setting.
Personal Care Services	*LTSS eligibility as determined by EOHHS is required to receive these services.* Provide direct support in the home or community to Member in performing tasks they are functionally unable to complete independently due to disability, based on the Medicaid LTSS Care Plan and/or the self-directed care plan. Services include: • Member assistance with ADLs, such as grooming, personal hygiene, toileting bathing, and dressing. • Assistance with monitoring health status and physical condition. • Assistance with preparation and eating of meals (not the cost of the meals itself). • Assistance with housekeeping activities (e.g., bed making, dusting, vacuuming, laundry, grocery shopping, cleaning). • Assistance with transferring, ambulation, and use of special mobility devices. • Assisting the Member by directly providing or arranging transportation (If providing transportation, the personal care assistant must be verified as having a valid driver's license and liability coverage).
Personal Emergency Response (PERS)	*LTSS eligibility as determined by EOHHS is required to receive this service.* An electronic device that enables certain Enrollees at high risk of institutionalization to secure help in an emergency. The Enrollee may also wear a portable "help" button to allow for mobility. The system is connected to the Enrollee's phone and programmed to signal a response center once a "help" button is activated. Trained professionals staff the response center, as specified by EOHHS. This service includes coverage for installation and a monthly service fee. Health Care Professionals are responsible to insure the upkeep and maintenance of the devices/systems.
Physical Therapy Evaluation Services	Physical therapy evaluation for home accessibility appliances or devices by an individual with a State-approved licensing or certification. Preventive physical therapy services are available prior to surgery if evidence-based practice has

Service	Benefit Detail
	demonstrated that the therapy will enhance recovery or reduce rehabilitation time.
Physician Services	Covered as needed based on medical necessity. Includes primary care, specialty care, and obstetric care. Up to one (1) annual and five (5) gynecology visits annually to a network Health Care Professional for Family planning is covered without a PCP referral.
Podiatry Services	Covered as ordered by a Health Care Professional. Routine foot care, such as debridement of nails and treatment for ingrown toenails.
Private Duty Nursing	*LTSS eligibility as determined by EOHHS is required to receive these services.* Individual and continuous care (in contrast to part time or intermittent care) provided by licensed nurses within the scope of State law and as identified in the Medicaid LTSS Care Plan. These services are provided to an Enrollee at home.
Radiology Services	Covered when ordered by a Health Care Professional.
Rehabilitation Services	Covered when ordered by a Health Care Professional.
Residential Supports	*LTSS eligibility as determined by EOHHS is required to receive these services.* Assistance with acquisition, retention, or improvement in skills related to ADLs, such as personal grooming and cleanliness, bed making and household chores, eating and the preparation of food, and the social and adaptive skills necessary to enable the Enrollee to reside in their own home and a non-institutional setting. Payments for residential habilitation are not made for room and board, the cost of facility maintenance (where applicable), or upkeep and improvement.
Respite (HCBS)	*LTSS eligibility as determined by EOHHS is required to receive these services.* Respite can be defined as a service provided to individuals unable to care for themselves that is furnished on a short-term basis because of the absence or need for relief of those persons who normally provide care for the person. Federal financial participation is not claimed for the cost of room and board as respite services are provided in a private home setting, which may be in the person's home or occasionally in the respite provider's private residence, depending on Family preference and case-specific circumstances. When an individual is referred to an EOHHS-certified respite agency, a respite agency

Service	Benefit Detail
	staff person works with the Family to assure they have the requisite information and/or tools to participate and manage the respite services, The Individual/Family will already have an allocation of hours that has been recommended and approved by EOHHS. These hours will be released in six (6) month increments. The Individual/Family will determine how they wish to use these hours. Patterns of potential usage might include intermittent or occasional use; routine use of a few hours each week; planned weekends away; a single block of hours that might allow the rest of the Family to spend a few Days together; or some combination of the above. The Individual's/Family's plan will be incorporated into a written document that will also outline whether the Member/Family wants help with recruitment, the training needed by the respite worker, the expectations of the Individual/Family relative to specific training and orientation to the home, and expectations relative to documenting the respite worker's time. Each eligible person may receive up to one hundred (100) hours of respite services in a year.
Self-Directed Goods & Services (Self-Directed Care)	*LTSS eligibility as determined by EOHHS is required to receive these services.* Self-directed goods and services are services, equipment or supplies not otherwise provided through LTSS or through the Medicaid State Plan that address an identified need and are in the approved self-directed care plan (including improving and maintaining the individual's opportunities for full membership in the community) and meet the following requirements: the item or service would decrease the need for other Medicaid services and/or promote inclusion in the community; and/or the item or service would increase the individual's ability to perform ADLs or IADLs and/or increase the person's safety in the home environment; and, alternative funding sources are not available. Individual goods and services are purchased from the person's self-directed budget through the fiscal intermediary when approved as part of the self-directed care plan. Examples include a laundry service for a person unable to launder and fold clothes or a microwave for a person unable to use a stove due to their disability. This will not include any good/service that would be restrictive to the individual or strictly experimental in nature.
Self-Directed Services	*LTSS eligibility as determined by EOHHS is required to receive these services.* Focuses on empowering individuals to define and direct their own personal assistance needs and services; guides and supports, rather than directs and manages, the individual through the Service Planning and delivery process. The facilitator counsels, facilitates, and assists in the development of a self-directed care plan which includes both paid and unpaid services and supports designed to allow the individual to live in the home and participate in the community. A back-up plan is also developed to assure that the needed assistance will be

Service	Benefit Detail
	provided if regular services identified in the self-directed care plan are temporarily unavailable.
Senior Companion (Adult Companion) Services	*LTSS eligibility as determined by EOHHS is required to receive these services.* Non-medical care, supervision, and socialization, provided to a functionally impaired adult Enrollee. Companions may assist or supervise the Enrollee with such tasks as meal preparation, laundry, and shopping. The provision of companion services does not entail hands-on nursing care. Companions may also perform light housekeeping tasks, which are incidental to the care and supervision of the Enrollee. This service is provided in accordance with a therapeutic goal in the Medicaid LTSS Care Plan.
Shared Living	*LTSS eligibility as determined by EOHHS is required to receive these services.* Personal care and services, homemaker, chore, attendant care, companion services, and medication oversight (to the extent permitted under State law) provided in a private home by a principal care provider who lives in the home. Supported living arrangements are furnished to individuals who receive these services in conjunction with residing in the home. Separate payment will not be made for homemaker or chore services furnished to an individual receiving supported living arrangements, since these services are integral to and inherent in the provision of adult foster care services.
Skilled Nursing Services (LPN Services)	*LTSS eligibility as determined by EOHHS is required to receive these services.* LPN services provided under the supervision of a registered nurse. LPN services are available to Enrollees who require interventions beyond the scope of certified nursing assistant (CNA) duties. LPN services are provided in accordance with the Nurse Practice Act under the supervision of a registered nurse. This service is aimed at Enrollees who have achieved a measure of medical stability despite the need for chronic care nursing interventions.
Special Medical Equipment (Minor Assistive Devices)	Assistive technology means an item, piece of equipment, service animal or product system, whether acquired commercially, modified, or customized, that is used to increase, maintain, or improve functional capabilities of beneficiaries, optimize their health, and promote independence and self-care. Assistive technology service means a service that directly assists a beneficiary in the selection, acquisition, or use of an assistive technology device.
Specialty Care Services	Covered if referred to by a Health Care Professional. Practitioners certified and licensed by the State of Rhode Island including nurse practitioners, physicians' assistants, social workers, licensed dietitians, psychologists and licensed nurse

Service	Benefit Detail
	midwives. Includes advanced medically necessary care and treatment of specific physical, behavioral health conditions or those health conditions provided by a specialist, preferable in coordinate with a primary care professional or other health care professional.
Supported Employment	*LTSS eligibility as determined by EOHHS is required to receive these services.* Includes activities needed to sustain paid work by individuals receiving waiver services, including supervision, transportation, and training. When supported employment services are provided at a work site in which persons without disabilities are employed, payment will be made only for the adaptations, supervision, and training required by individuals receiving services because of their disabilities and will not include payment for the supervisory activities rendered as a normal part of the business setting.
Therapies	Includes physical therapy, occupational therapy, speech therapy, hearing therapy, respiratory therapy, and other related therapies. All therapy services must be prescribed by a physician and Speech Therapy performed by a licensed therapist. Therapy services must be Services directly related to an active plan of care designed by the prescribing physician and of such a level of complexity and sophistication that the judgment, knowledge, and skills of a qualified therapist are required. All therapies must be medically necessary under accepted standards of medical practice to the treatment of the patient's condition.
Tobacco Cessation Services	Covers over the counter and prescription cessation products, as well as counseling.
Transplant Services	Covered when ordered by a Health Care Professional.
