

Table B: Specialized LTSS AE Attribution Scenarios

Scenario	Impact on Attribution	Example
<p>An authorization for an attributable service with a provider in an AE is terminated. Within three months of the authorization terminating, a new authorization for an attributable service with a provider in a different AE becomes effective.</p>	<p>The beneficiary’s attribution will remain attributed to the AE that includes the provider with the terminated authorization for 90 days after the authorization is terminated. The attribution will be updated to the AE that includes the provider with the new authorization during the next monthly update that occurs 90 days after the first authorization is terminated.</p>	<p>Mary is receiving Home Care Services from a provider in AE 1. Her Home Care authorization is terminated when she has a Long-Stay/Custodial Nursing Facility admission on January 15 and a new authorization for a Long-Stay/Custodial Nursing Facility Care with a provider in AE 2 becomes effective. She remains in the facility for over 90 days. Mary’s attribution is updated from AE 1 to AE 2 in the attribution update that is effective May 1.</p>
<p>An authorization for an attributable service with a provider in an AE is terminated. More than three months after the authorization terminated, a new authorization for an attributable service with a provider in a different AE becomes effective.</p>	<p>The attribution will be updated to the AE that includes the new provider during the next monthly update that occurs after the new authorization is effective.</p>	<p>Sue is receiving Adult Day Health Services from a provider in AE 3. She stops going to this Adult Day Health Services provider on March 12. She begins going to another Adult Day Health Services Provider, which is part of AE 4, on August 16. Sue remains attributed to AE 3 until August 31. Her attribution is updated from AE 3 to AE 4 in the attribution update that is effective September 1.</p>
<p>An authorization for an attributable service with a provider in an AE is terminated. There is no other active authorization for an attributable service for more than 12 months.</p>	<p>The beneficiary will remain attributed to the AE for 12 months after the authorization is terminated. The attribution will be updated to remove this person in the next monthly update that occurs 12 months after the authorization is terminated.</p>	<p>Eduardo is receiving Home Care Services from a provider in AE X. His Home Care authorization is terminated on April 20, 2018, and no other authorization for an attributable service is active for the next 12 months. Eduardo remains attributed to AE X for 12 months after April 20, 2018. He is removed from AE X’s attribution in the attribution update that is effective May 1, 2019.</p>
