In January 2014 the Centers for Medicare and Medicaid Services (CMS) issued a final rule regarding Medicaid-funded home and community based long-term services (HCBS). That plan will propose **June 30, 2019** as the date by which we will be compliant with the new requirements.

The summary of the intent of the Final Rule of January 2014 was to ensure that Medicaid HCBS services are provided to individuals in a setting that is **integrated** and supports full access to the community; is selected by the beneficiary; ensures an **individual's rights** of privacy, dignity and respect, and freedom from coercion and restraint, optimizes autonomy and independence in making **life choices**; **facilitates individual choice** regarding services and supports, and who provides them; and, where possible, the person leads the process of developing his or her service plan.
