In submitting this Application for a Medicaid Pediatric Primary Care Rate Supplement subaward the Provider certifies, represents, acknowledges and agrees to the following:

1. EOHHS shall provide the Provider with a Medicaid Pediatric Primary Care Rate Supplement subaward in an amount calculated using the number of Medicaid covered children under eighteen (18) years of age, divided into monthly allotments, and contingent on reporting and achieving patient access measure benchmarks according to the specifications outlined in the Program Guidance.
2. From August 1, 2020 through December 30, 2020, the Provider shall apply funds received through the Medicaid Pediatric Primary Care Rate Supplement Program towards the following eligible expenses:

 - b. new costs related to COVID-19, including PPE, cleaning supplies, screening of patients and visitors;
 - c. costs otherwise associated with business interruptions caused by required closures due to COVID-19;

- d. expenses necessary to achieve the patient access measure benchmark; and
 - e. other COVID-19 related expenditures.

ARTICLE 2: GENERAL TERMS AND CONDITIONS

1. Governing Law. This Agreement shall be governed and construed in accordance with the laws of the State of Rhode Island, without reference to its principles of conflict of laws, except where the federal supremacy clause requires otherwise. Any suit, action or proceeding brought in connection with this subaward shall be brought solely in the Providence Superior Court, Providence, Rhode Island. The Parties irrevocably submit to the exclusive jurisdiction of said court and all courts of appeal from which an appeal may be taken from such court, waive any objection to the exclusive venue of said court and any claim that such suit, action or proceeding has been brought in an inconvenient forum. Nothing contained in this section shall be construed to waive any State immunity to suit or liability.

2. Changes to this Agreement may only be made pursuant to a written amendment signed by both the Provider and the State Agency.

3. No Subawards. Provider may not subaward any portion of this subaward to a third-party.

4. Suspension. State Agency may suspend this Agreement, in whole or in part, if Provider fails to comply with any terms and conditions of this Agreement.

5. Public Records. All records possessed by State Agency in connection with this Agreement are subject to the Rhode Island Access to Public Records Act ("APRA"), R.I. Gen. Law § 38-2-1, *et seq.* In no event shall State Agency be liable to Provider for releasing to the public any records relating to this Agreement that State Agency determines may or must be released in accordance with APRA.

6. Whistleblower Protection. An employee of a Provider, contractor, subcontractor, or personal services contractor may not be discharged, demoted, or otherwise discriminated against as a reprisal for disclosing to a person or body information that the employee reasonably believes is evidence of gross mismanagement of a Federal award, a gross waste of Federal funds, an abuse of authority relating to a Federal award, a substantial and specific danger to public health or safety, or a violation of law, rule, or regulation related to this Agreement.

7. Federal Funding.

i. This Agreement is contingent upon and subject to the availability of Federal funds for the purposes outlined in this Agreement. State Agency may terminate or suspend this Agreement, in whole or in part, without penalty or further payment being required, if funds for this Agreement have not been appropriated or otherwise made available to State Agency by the Federal funding source or if the Federal funding source issues guidance indicating that the award of funds under this Agreement is disallowed. State Agency shall provide notice, in writing, to Provider of any such funding failure and its election to terminate or suspend this Agreement as soon as practicable. Any termination pursuant to this Section will be effective upon the date of the written notice provided to Provider unless otherwise indicated.

ii. Provider acknowledges and understands that the funding is subject to the requirements of the U.S. Department of Treasury. State Agency is relying on guidance issued by U.S. Department of Treasury ("Treasury Guidance"), including future guidance that may issue after the date of this Agreement. If State Agency, in its sole and reasonable determination, determines that any Treasury Guidance indicates that any funding awarded under this Agreement, or any use of such funding, are an impermissible use of CRF funding, State Agency may seek further clarification from the U.S. Department of Treasury and/or will work in good faith with Provider to modify this Agreement to conform this Agreement to the guidance, to the extent feasible. In the event of a disallowance, State Agency may require Provider to repay to State Agency an amount of money equal to the amount provided under this Agreement that corresponds to the disallowed use.

iii. Provider agrees to comply with all federal reporting requirements that may be specified

by the U.S. Department of the Treasury.

8. Prohibited Uses. Funds provided pursuant to this Award must adhere to the Treasury Guidance issued or to be issued on what constitutes a necessary expenditure under Section 5001 of the CARES Act and the terms herein. Provider agrees to promptly repay any funds that were used for unauthorized purposes or inappropriate expenditures to State Agency not later than ten days after a written request from State Agency or its designated agent if State Agency determines that any portion of this Award was expended for purposes other than those authorized under this Agreement. If Provider does not repay such funds upon request, State Agency may recoup such funds as soon as possible from any current or future payments of State Agency to Provider under any program administered by State Agency, and may take any other actions that it deems necessary to recovery such funds.

9. Audit. Provider acknowledges that this Award is subject to audit, agrees to cooperate fully with any audits, and that any funds not spent in accordance with this Agreement or Treasury Guidance are subject to recovery and recoupment.

10. Segregation of Funds. Provider agrees that it shall segregate obligations and expenditures of this Award from other funding it receives from the State, federal and/or other sources. Provider agrees that no part of funds made available under this Award may be commingled with any other funds or used for a purpose other than that of making payments in support of projects and activities expressly authorized in this Agreement.

11. Applicable Law and Regulations. Provider acknowledges and agrees to be bound by all applicable State laws, regulations and requirements pertaining to the award of funds, and the applicable portions of the Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards published in Title 2, Part 200 of the Code of Federal Regulations, including 2 C.F.R. §§ 200.303 Internal controls, 200.330-332 Subrecipient Monitoring and Management.

12. Indemnification. Provider shall indemnify, defend and hold the State of Rhode Island, its Executive Offices, agencies, branches and its officers, directors, agents or employees harmless against claims, demands, suits for judgements, losses or reasonable expenses (including attorney's fees) incurred by the State of Rhode Island, arising from the performance of this Agreement by Provider or its agents or employees.

13. Debarment and Suspension. By signing this Agreement, the duly authorized individual for the Provider certifies that neither the Provider nor its principals are presently debarred, suspended, proposed for debarment, declared ineligible or voluntarily excluded from participation in Federal assistance programs and activities including subawards, in accordance with 2 CFR part 180. 16. Record Retention and Access. Provider shall maintain all financial records, supporting documents, statistical records, and other records pertinent to this Agreement for a period of five (5) years from the date of this Agreement, or for the minimum amount of time required by federal or state law governing

21. Litigation, Investigations. In the event Provider becomes a party to any litigation, investigation or transaction that may reasonably be considered to have a material relationship to this Agreement, Provider shall notify State Agency, in writing, within five (5) business days of when it determined, or should have determined, that such litigation, investigation or transaction may reasonably be considered to have a material relationship to this Agreement.
