

Rhode Island Medicaid Program

March 2022

Provider Update

See page 2 for
Table of Contents

State Offices will be closed in observance of the following Holidays in 2022

Memorial Day	Monday, May 30
Independence Day	Monday, July 4
Victory Day	Monday, August 8
Labor Day	Monday, September 5
Columbus Day	Monday, October 10
Election Day	Tuesday, November 8
Veterans' Day	Friday, November 11
Thanksgiving Day	Thursday, November 24
Christmas Day	Sunday, December 25 (State Employees celebrate on Monday, December 26)

SUBSCRIBE

The RI Medicaid Customer Service Help Desk/Call Center will also be closed on the same days.

The RI Medicaid Health Care Portal (HCP) is available 24 hrs./7 days for Member Eligibility, Claim Status, View Remittance Advice and View Remittance Advice Payment Amount.

Click [here](#) for the HCP login page.

Provider Enrollment Application Fee

As of January 1, 2022, the application fee to enroll as a Medicaid provider is \$631.00

See more information regarding providers who may be subject to application fees [here](#).

New Temporary CPT Codes

The following CPT codes have been added to the Medicaid program temporarily. These would be effective 9/1/2021 - 3/31/2022.

99401- Preventive medicine counseling and/or risk factor reduction intervention(s) provided to an individual (separate procedure); approximately 15 minutes. Reimbursement is \$23.53

99402- Preventive medicine counseling and/or risk factor reduction intervention(s) provided to an individual (separate procedure); approximately 30 minutes. Reimbursement is \$38.80.

99403- Preventive medicine counseling and/or risk factor reduction intervention(s) provided to an individual (separate procedure); approximately 30 minutes. Reimbursement is \$53.46.

99404- Preventive medicine counseling and/or risk factor reduction intervention(s) provided to an individual (separate procedure); approximately 30 minutes. Reimbursement is \$67.91.

These CPT codes can be billed at only one visit for each beneficiary per day, but there are not quantity limits for the number of times this education can be provided to an individual beneficiary. Counseling may be provided in person, through live audio/video (telehealth) or telephonically. Additionally, this service can be billed by multiple providers and can be billed multiple times on different days.

Modifier 25-Significant, Separately Identifiable Evaluation and Management Service by the Same Physician or Other Qualified Health Care Professional on the Same Day of the Procedure or Other Service, should be used if billing in addition to an office visit or an evaluation and management visit.

Attention Home Care and Adult Day Care Providers

The Office of Healthy Aging plans to increase services for its At Home Supports Program to include qualifying non-Medicaid clients ages 19 and over with a diagnosis of Alzheimer's or related dementias and expand income up to 250% of the Federal Poverty Level (FPL). The names of the programs have been updated from DEA Copay to OHA At Home Cost Share Level 1, Level 2 and OHA Case Management (CNOM). Members are still enrolled in all three Co-Pay programs. The procedure code for home care services is S5125 U1. Please note that if you are billing for a member 19 or over that you will be using the taxonomy that you use today for the adult population. The procedure code for adult day care for the OHA program is S5102.

Previously recipients were 65 and over only. The new increased services for members, determined by the Office Of Healthy Aging, include:

- Recipients age 19 to 64 with an Alzheimer's or Dementia related diagnosis as noted by a licensed physician and an income up to 250 percent of the FPL
- Age 65 and older with no diagnosis requirement and an income up to 250 percent of the FPL

These changes are expected to go into effect in the coming months. More information to come soon on the official start date. Until such announcement is made, the program guidelines remain ages 65 and older and up to 200% FPL.

For eligibility questions please contact the Office of Healthy Aging or your regional case manager at Tri-County Community Action, East Bay CAP, West Bay CAP, or Child and Family Services.

If you have billing questions please contact the Gainwell Technologies Help Desk at 401-784-8100.

LTSS Services and the 3G Network Sunset

The EOHHS/LTSS Systems team is urging providers to educate and assist clients with an upcoming cell phone technology change. AT&T, Verizon and T-Mobile are transitioning from 3G to 5G network technology. As a result, customers who are using older phones will be unable to make or receive calls and text messages or use data services. This could also affect some medical-alert devices such as the Personal Emergency Response System (PERS).

Customers are being notified directly by their phone carriers and PERS providers. However, we are asking LTSS providers to educate and support clients with additional resources during this wireless technology transition.

The following sites and resources are available for customers when their carriers are unable to assist with the transition.

-Rhode Island Office of Healthy Aging DigiAGE program: <https://oha.ri.gov/digiAGE> or (401) 462-4644
-2-1-1

-Lifeline Support for Affordable Communications : (800) 234-9473 or LifelineSupport@usac.org
<https://www.fcc.gov/lifeline-consumers>

Prior Authorization for Durable Medical Equipment (DME)

Physicians writing scripts/prescriptions for durable medical equipment (i.e. diapers, nutrition, etc.) should give the script directly to the recipient and indicate to the recipient to contact a DME Supplier provider. **The DME Supplier provider will initiate the prior authorization request with RI Medicaid.**

When prior authorization is required for a service, the DME Supplier provider is to submit a completed Prior Authorization Request form which can be obtained on the [EOHHS website](#). This form must be signed and dated by the **DME Supplier provider** as to the accuracy of the service requested. Attached to this form will be the Proof of Medical Necessity signed by the prescribing provider. When necessary, further documentation should be attached to the Prior Authorization Request form to justify the request. Forms can be faxed to (401) 784-3892.

Please note prior authorization requests for DME supplies received from a physician will be returned.

Prior authorization does not guarantee payment. Payment is subject to all general conditions of RI Medicaid, including beneficiary eligibility, other insurance, and program restrictions. An approved prior authorization cannot be transferred from one vendor to another. If the beneficiary wishes to change vendors once the prior authorization has been approved, the new vendor will submit another Prior Authorization Request form with a letter from the beneficiary requesting the previous prior authorization be canceled.

For those beneficiary's dually enrolled in the RI Medicaid Program and Medicare, prior authorization is not required for Medicare covered DME services. Providers are required to accept Medicare assignment for all covered DME services. RI Medicaid will reimburse the copay and/or deductible as determined by Medicare up to the RI maximum allowable amount using the lesser of logic.

Long Term Services and Support (LTSS) Preventive Program

Rhode Island Medicaid allows access to LTSS Preventive services for aged and disabled customers who have a medical need for the services. Medicaid beneficiaries who meet the needs-based criteria for LTSS Preventive services are eligible for a limited range of home and community-based services and supports in addition to their primary care essential benefits. The goal of the LTSS Preventive Program is to delay or avert institutionalization or more extensive and intensive home and community-based care.

- Preventive services include up to 6 hours of homemaker and/ or personal services per week and up to 10 hours per couple.

Many individuals have a disability or chronic illness that limits their ability to conduct basic activities of daily living but may not meet the clinical eligibility criteria to access the full LTSS Program. Beneficiaries can be referred to RIPIN to access LTSS Preventive services. RIPIN can be reached at preventive@RIPIN.org or CMP Call Center #800-464-3399. RIPIN will work with DHS LTSS to support the customer with the necessary steps to access the program.

Customers who are enrolled in a Managed Care Organization (MCO) can call the Member Services number on their health plan card. The health plans will work with members to arrange appropriate services.

Katie Beckett (KB) Medicaid Eligibility: Health Care Coverage for Children with Severe Disabilities

****Please note that the clinical team overseeing the process for the Katie Beckett Medicaid Program has been moved to DHS-LTSS, kindly refer inquiries and mail application for the KB program to the DHS-LTSS contact below****

Katie Beckett is an eligibility category in Medicaid that allows children under age 19 who have long-term disabilities or complex medical needs to become eligible for Medicaid coverage. To be qualified, child must meet the income and resource requirements for Medicaid for persons with a disability; qualify under the U.S. Social Security Administration's (SSA) definition of disability and require a level of care at home that is typically provided in a hospital, nursing facility or an Intermediate Care Facility for Persons with Intellectual Disability (ICF-MR). Katie Beckett Medicaid eligibility enables children to be cared for at home instead of an institution. With Katie Beckett, only the child's income and resources are used to determine eligibility.

For information about the Katie Beckett program, contact DHS LTSS at: 401-574-8474 or email: DHS.PedClinicals@dhs.ri.gov

To apply for the Katie Beckett Medicaid Program, Kindly complete the DHS-2 Application, check the KB-Katie Beckett: Health Care Coverage for Children with Severe Disabilities, and mail to:
Attention: DHS LTSS--Katie Beckett Program
P.O. Box 8709
Cranston, RI 02920

Attention Nursing Home Providers

There will be a new billing process for members that have been released from a hospital setting and **have not** been determined eligible for Long Term Support Services. This new billing process will replace the existing one in place today of sending emails with an attached spreadsheet to Mary Ellen Jenkins at OHHS for nursing home stays that are 30 days or less.

Per EOHHS rule 210-RICR-50-00-1.7, Medicaid Long-Term Services and Supports Overview and Eligibility Pathways, Qualifying for Medicaid LTSS, states that, “With the enactment of the federal Affordable Care Act of 2010, federal law requires that Medicare, commercial health insurers, and group health plans provide as part of the primary care essential benefit package up to thirty (30) days of subacute and rehabilitative care for persons who have had an acute care incident requiring services in a health institution. Medicaid is also required to provide this benefit. Both existing beneficiaries and new applicants must have established a continuing need for LTSS -- that is, for an institutional level of care -- to qualify for Medicaid LTSS once the thirty (30) days of essential benefit coverage is exhausted.”

Members who require *Hospice services* must continue to go through the Long-Term Care Eligibility process and have LTC approval for claims to process.

There will be an additional communication sent out with information on how to sign up for a webinar on how to bill for this service. It is strongly recommended that you attend a webinar, as this is a different billing process than what you are accustomed to.

Some of what will be included in the webinar trainings are listed below:

1. Clients must have active Medicaid Eligibility
2. This billing process is for nursing home stays for 30 days or less with no long term care approval
3. Clients may have more than one consecutive 30-day period of Nursing Home services but there must be a gap between the “To” Date of service on the last bill and “From” Date of service on the new bill
4. New procedure code for S9976 “Lodging, Per Diem, Not Otherwise Classified”
5. This needs to be submitted as an 837 Professional Claim or Professional Cross Over claim
6. Clients may have a Patient Share on file, but it *will not* be automatically deducted for the 30-Day Nursing Home Services unless it is reported on the claim by the provider
7. A RUG Score must be on file for the recipient
8. If a member has primary insurance the claim must be submitted to the primary coverage and then submitted with the EOB to Medicaid
9. Claims submitted for CSM-Demo and PACE will be denied for Other Insurance.
10. This processing will not include ‘Head on the Bed Logic’ to ensure a client can receive 30 consecutive days of Nursing Home Services.

Provider training webinars were delivered on October 13th and October 15th. The slides used for the presentation are located on the EOHHS website under [Nursing Home Stay 30 Days or Less \(ri.gov\)](#)

REMINDER FOR NURSING HOME

Stimulus funds should be treated the same as a tax refund/rebate by nursing homes. The rebate is not treated as income, or as a resource for a 12-month period, in determining an individual’s eligibility or assistance amount under any federally funded public program.

Substance Abuse Residential Treatment Code Update

Rhode Island Executive Office of Health & Human Services (EOHHS) requires that Managed Care Organizations (MCOs) and Rhode Island Medicaid providers adhere to the specifications outlined in the following table:

ASAM Level	ASAM Description	HCP C Code	Rev Code	Bill Type	Taxonomy Code	Notes
Level 3.1	Clinically Managed Low-intensity Residential Ser-	H0018	1003	86X	324500000x	Provider must bill both HCPC and Rev code
Level 3.3	Clinically Managed Population-specific High-intensity	H0010	1002	86X	324500000x	Provider must bill both HCPC and Rev code
Level 3.5	Clinically Managed High-Intensity Residential Ser-	H0010	1002	86X	324500000x	Provider must bill both HCPC and Rev code
Level 3.7	Medically Monitored Intensive Inpatient Services	H0011	1002	11x	324500000x	Provider must bill both HCPC and Rev code
Level 3.7-WM	Medically Monitored Inpatient Withdrawal Management	H0011	116, 126, 136, 146, 156	11x	324500000x	Provider must bill both HCPC and Rev code

MCOs and providers must begin engaging in the appropriate implementation processes, such that the aforementioned specifications will be effectuated for all claims with a *Date of Service* start date of **October 1, 2021**. Please ensure adequate provider education regarding claims billing is completed prior to the October 1st launch date.

Please contact your Medicaid MCO provider representative if you have further questions about this change.

Provider Enrollment Revalidation Requirements

Effective September 1, 2021, provider enrollment revalidation requirements will no longer be waived. Providers will now be expected to respond to enrollment revalidation information requests from Gainwell in a timely manner. As required per usual protocols that were in place prior to March 2020, providers will be required to return information to Gainwell within 35 days of a request. If you would like more information about this process,

please visit:

https://eohhs.ri.gov/sites/g/files/xkgbur226/files/2021-03/provider_revalidation.pdf

Behavioral Health Rate Enhancement and Free Behavioral Health Training for Home Care Agencies

Effective January 1, 2022, a new behavioral healthcare rate enhancement of \$0.39 per unit (fifteen 15 minutes) of Personal Care (S5125), Combined Personal Care/Homemaker (S5125-UI), and Homemaker (S5130) services shall be paid to “behavioral health-certified” (BH-certified) non-skilled home care providers. A BH-certified provider is a provider with at least thirty percent (30%) of its direct care workers (which includes C.N.A. and Homemakers) certified in behavioral healthcare training.

BH-Certified providers can submit their completed application for certification by emailing it to rixixqualityassuranceteam@gainwelltechnologies.com. All forms that are required for the BH Enhanced rates can be found on the [Certification Standards | Executive Office of Health and Human Services \(ri.gov\)](#) under [Forms and Applications](#). If approved for the BH rate enhancement a letter provided by EOHHS will be sent to the agency by email.

For a direct care worker to become BH-certified, s/he must successfully complete a behavioral health certificate training program offered by Rhode Island College, or an equivalent training program that has been prospectively approved by EOHHS (Attachment C). For an Agency to become a BH-certified provider, it must submit to EOHHS a form (Attachment A) and supporting documentation identifying those C.N.A.s and Homemakers who are BH-certified. This list may be submitted at any time, and, upon review and approval by EOHHS, an Agency shall remain BH-certified for one year from the date of approval. Agencies must provide an updated list annually to renew their

BH-certification by emailing rixixqualityassuranceteam@gainwelltechnologies.com.

Employers shall submit to EOHHS a Report and Attestation (Attachment B) on January 15, 2023 and annually thereafter affirming that all BH-certified employees received one-hundred percent (100%) of the Behavioral Health Rate Enhancement (\$1.56/hour) paid to the employer for all hours worked by the BH-certified employee during the preceding January 1 – December 31, in addition to the hourly rate, and any shift differential or other compensation that they were receiving immediately prior to becoming eligible to receive the BH rate enhancement. All applications and supporting documents can be emailed to rixixqualityassuranceteam@gainwelltechnologies.com

COVID-19 Vaccine Administration Codes for Children

The COVID-19 vaccine has been approved for children ages 5-11 years old. The administration codes can be billed to Medicaid effective 1/1/21. The codes are In Plan for those recipients in a managed care plan. The codes and reimbursement are:

0071A Immunization administration by intramuscular injection of severe acute respiratory syndrome coronavirus 2 ages 5-11 first dose, reimbursed at \$41.63.

0072A Immunization administration by intramuscular injection of severe acute respiratory syndrome coronavirus 2 ages 5-11 second dose, reimbursed at \$41.63.

COVID-19 Vaccine Administration-3rd Dose

COVID-19 3rd dose administration codes have been approved effective August 1, 2021. Per CMS, the reimbursement will be the same as the existing Covid-19 vaccine administration codes which is \$41.63.

0003A -ADM SARSCOV2 30MCG/0.3ML 3rd
(Pfizer-Biontech Covid-19 Vaccine Administration – Third Dose)

0013A-ADM SARSCOV2 100MCG/0.5ML 3rd
(Moderna Covid-19 Vaccine Administration – Third Dose)

Pediatric Primary Care - Coronavirus Relief And Response

Applications are currently open for \$7.5 million in funding to assist pediatricians that were impacted by COVID-19. This program is part of Governor Dan McKee's Rhode Island Rebounds initiative – a 10 percent investment of the State's \$1.13 billion American Rescue Plan State Fiscal Recovery Funds as a down payment on Rhode Island's economic comeback.

Rhode Island Rebounds will provide \$7.5 million in federal funds to incentivize pediatric primary care practices to ensure all children are up to date with the full array of essential, preventive healthcare services, including on developmental, psychosocial, and behavioral screenings. The funding will support the retention of staff, implementation of extended hours, enhanced outreach, and bringing on additional family supports, such as social workers, to ensure all families are caught up on care.

Pediatricians can learn more about the funding, and access the application [here](#).

All applications are due on March 9, 2022 at 5 p.m.

Attention LTSS Providers

As of 12/01/21, the DHS contact information for the Long Term Services and Support (LTSS) program has been changed. Please update your contact information for LTSS updates and inquiries to reflect the followings:

LTSS coverage line number 401-574-8474

DHS Call center line 1-855-697-4347

Email: dhs.ltss@dhs.ri.gov

Fax#: 401-574-9915

LTSS: MOVING THE OFFICE OF MEDICAL REVIEW (CLINICAL TEAM) FROM EOHHS TO DHS

The Executive Office of Health and Human Services (EOHHS) and DHS have together cared for our consumers on the State's Medicaid program. Specifically, EOHHS has been responsible for the clinical eligibility determinations for Medicaid Long Term Services and Supports (LTSS) through its Office of Medical Review (OMR) while DHS determines the financial eligibility for those applicants.

To create a more efficient process, we have moved all LTSS eligibility, both financial and clinical, to DHS. The Office of Medical Review, now called the DHS Clinical Team, will continue to be responsible for determination of LTSS clinical levels of care, Katie Beckett clinical eligibility, disability determinations by the Medical Assistance Review Team, and Pediatric Private Duty Nursing (PDN) assessments, authorizations and oversight. Regarding the latter, parents of children receiving PDN, as well as the agencies providing pediatric PDN, have been directly notified about this change. Relatedly, the two departments finalized a PDN Policy Guidance Document that puts into writing the current processes for the administration of PDN. This document will be available on the DHS website soon.

Telehealth Service Codes Update for Medicaid

Due to recent changes made by Medicare, effective as of April 4, 2022 the Rhode Island Executive Office of Health & Human Services (EOHHS) is adding Place of Service Code 10 (Telehealth Provided in Patient's Home) as a telehealth place of service for Fee-for-Service and Managed Care. Please submit telehealth claims with Place of Service Code 02 (Telehealth Provided Other than in Patient's Home) or Place of Service Code 10 (Telehealth Provided in Patient's Home) as applicable.

EOHHS requests that all MCOs complete the implementation of this change in claims submission by April 30, 2022. Fee-for-Service Providers should submit telehealth claims with the applicable Place of Service Code 10 for dates of service of April 4, 2022 forward.

Pharmacy Spotlight

The following drugs changed status on the RI Medicaid Fee-for-Service Preferred Drug List (PDL) effective January 2022.

<p><u>Analgesics, Narcotics Short-Acting</u> <u>Changed status to Non-preferred</u></p> <p>tramadol 100 mg</p> <p><u>Changed status to Preferred</u> morphine solution (AG) oral</p>	<p><u>Anticonvulsants, Other</u> <u>Changed status to Preferred</u></p> <p>Valtoco</p>
<p><u>Antimigraine Agents, Other</u> <u>Changed status to Preferred</u></p> <p>Ubrelyv</p> <p><u>Changed status to Non-Preferred</u> Nurtec ODT</p>	<p><u>Antimigraine Agents, Triptans</u> <u>Changed status to Preferred</u></p> <p>Imitrex nasal</p> <p><u>Changed status to Non-Preferred</u> sumatriptan nasal</p>
<p><u>Atypical Antipsychotics</u> <u>Changed status to Preferred</u></p> <p>Perseris</p>	<p><u>Neuropathic Pain, Topical</u> <u>Changed status to Preferred</u></p> <p>Lidoderm</p>
<p><u>NSAIDS</u> <u>Changed status to Preferred</u></p> <p>ibuprofen suspension (OTC)</p>	<p><u>Ophthalmics, Allergic Conjunctivitis</u> <u>Changed status to Preferred</u></p> <p>olopatadine HCL</p>
<p><u>Ophthalmics, Anti-Inflammatories</u> <u>Changed status to Preferred</u></p> <p>Pred Forte</p> <p><u>Changed status to Non-Preferred</u> Ilevro Nevanac</p>	<p><u>Ophthalmics, Anti-Inflammatory/ Immunomodulators</u> <u>Changed status to Preferred</u></p> <p>Xiidra</p>
<p><u>Stimulants and Related Agents</u> <u>Changed status to Non-preferred</u></p> <p>Aptensio XR</p>

<http://www.eohhs.ri.gov/ProvidersPartners/GeneralInformation/ProviderDirectories/Pharmacy.aspx>

Pharmacy Spotlight

Treatment of Hepatitis C Prior Authorization Guidelines Effective: January 1, 2022

Introduction:

Hepatitis C has been identified as a significant etiology of chronic liver disease, associated comorbidities, liver cancer, need for transplantation and death. These guidelines document eligible beneficiaries and the information that must be submitted in order to determine a coverage determination. Modifications to the Preferred Drug List require approval by the Rhode Island Medicaid Pharmacy and Therapeutics Committee.

Detailed prescribing and drug warning information may be obtained at:

<http://www.fda.gov/Drugs/DrugSafety/ucm522932.htm>

Prior Authorization is required for medications not on the Preferred Drug List.

General Approval Criteria:

- A. Prescribers must be enrolled as a billing provider or an ordering, prescribing or referring (OPR) provider with Rhode Island Medicaid.
- B. Beneficiaries:
 - i. All patients with documented Hepatitis C Stages 0 through 4 are eligible for treatment.
- C. Required Documentation:
 - i. Prior Authorization is not required when prescribing Mavyret®.
 - ii. Prior Authorization is not required for prescribing Vosevi® when used as a salvage medication after prior treatment failure. See package insert for FDA approved indication, and prescribing information.
 - iii. Neither Mavyret® nor Vosevi® require genotyping.
 - iv. Treatment request for non-preferred, non-panogenic medications require genotyping.
 - v. History of prior Hepatitis C treatment if request is for non-preferred medication
 - vi. Treatment plan which includes:
 - i. Medication name, dose and duration.
 - ii. Agreement to submit post treatment viral load data if requested.
- D. Treatment recommendations as of January 1, 2022:
 - i. Preferred agents: Mavyret® and Vosevi®.
 - ii. Non preferred agents:
 - i. Will be approved if patient is completing a cycle of therapy initiated prior to current policy implementation date, or

Pharmacy Spotlight

Treatment of Hepatitis C Prior Authorization Guidelines Effective: January 1, 2022 (continued)

- ii Will be reviewed on a case-by-case basis. The Prior Authorization request must include clinical documentation of need for an alternative, non-preferred agent.

E. Continuity of Treatment:

- i When transitioning between publicly funded delivery systems (i.e., between Fee for Service Medicaid and managed Care Medicaid, between managed Care Medicaid and Fee for Service Medicaid or between the Department of Corrections and the Medicaid Program) any medication approval by the prior delivery system will be honored for the portion of the treatment that remains after the transition.

F. Policy Effective Date: January 1, 2022.

- i Above policy replaces all prior Hepatitis C policies including revision with implementation date of August 1, 2021.

Approved:

Jerry Fingerut, MD.

Date:

December 13, 2021

2022 Meeting Dates:

April 12, 2022

June 7, 2022

September 20, 2022

December 13, 2022

Prior Authorization Requests

Please **do not** fax prior authorization requests that contain more than 15 pages. If your request is over 15 pages please mail your requests to:

Gainwell Technologies
Prior Authorization Department
PO Box 2010
Warwick, RI 02887-2010

Physician Medical (PMI) Form: Update to Signatory Requirements

To improve access to Medicaid Long-Term Services and Supports (LTSS), EOHHS will now accept Physician Medical (PMI) Forms that are signed by the applicant's physician, PA, NP, as well as a registered nurse or discharge planner (who holds, at a minimum, a bachelor's degree in nursing or social work). PMI Forms are used for determining if an individual who is disabled or over 65 years old meets a Nursing Home needs-based level of care (LOC), and is therefore clinically eligible for Medicaid LTSS. To review the full policy, please visit our website:

https://www.eohhs.ri.gov/sites/g/files/xkqbur226/files/2021-03/Medicaid-Policy_PMI-Signatory-Change_032221.pdf [clicktime.symantec.com]

Attention Assisted Living Facilities (ALF) Providers

Effective January 1, 2022, the monthly Room and Board Rate for all Medicaid LTSS Assisted Living Facility (ALF) customers with income under 300% Federal Benefit Rate (FBR) or \$2523, will change to \$1053 to reflect the Year 2022 Federal Benefit Rate (FBR). Room and Board Rate for customers with income over the 300% FBR will be \$2523 adjusted for a single versus double room accordingly. Cost of Care (COC) for all ALF customers may also change to reflect the 2022 COLA for customers who are receiving SSA benefits. Personal Need Allowance for all ALF customers regardless of ALF program (CAT D, RMFHC, PACE) will remain at \$120.

For assistance, questions, or concerns, please contact:

LTSS Coverage: 401-574-8474 or DHS Coverage: 1-855-697-4347 or the LTSS Email: dhs.ltss@dhs.ri.gov.

For Cost of Care (COC) and Room and Board updates and discrepancies, please contact:

OHHS Contacts: OHHS.LTSSEscalation@ohhs.ri.gov or Sally.mcgrath@ohhs.ri.gov

Emailing for Technical Support

When sending an email to EDI (riediservices@gainwelltechnologies.com) or your provider rep for assistance, it is important to include vital information so that we may best assist you. In your email please include your: name, phone number, user id, NPI and Trading Partner ID (if applicable).

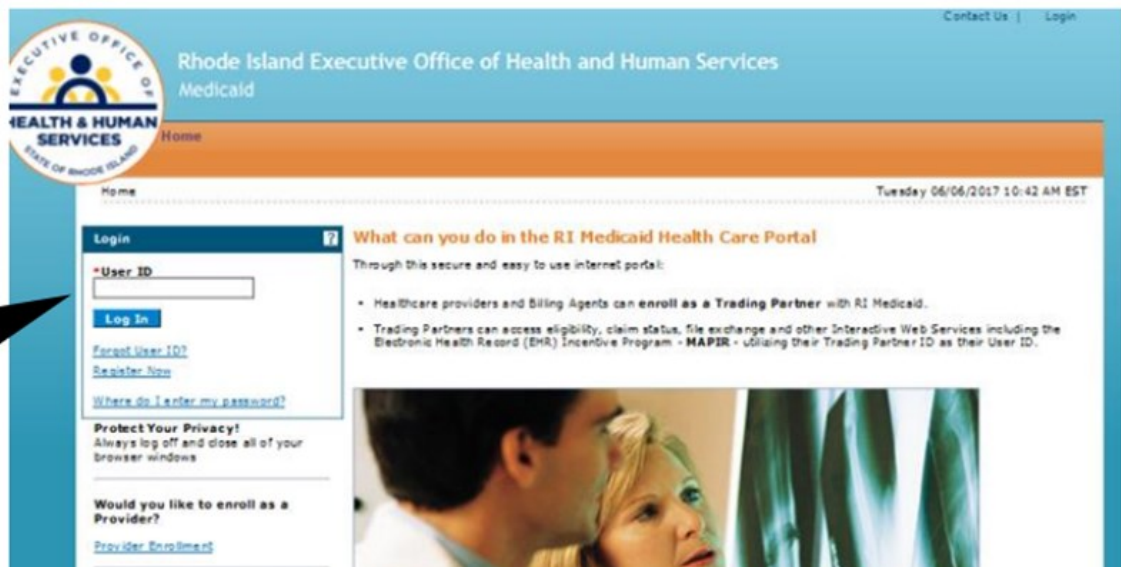

If you are emailing about login issues, please include the platform you are trying to access (Healthcare Portal, PES, etc).

If you are getting an error message, please include a screenshot of the error, or let us know *exactly* what the error message says. Depending on the platform you are using, there are multiple reasons an error could kick back, so providing this specific information in your email will help us to best assess the root of the issue and how to solve it.

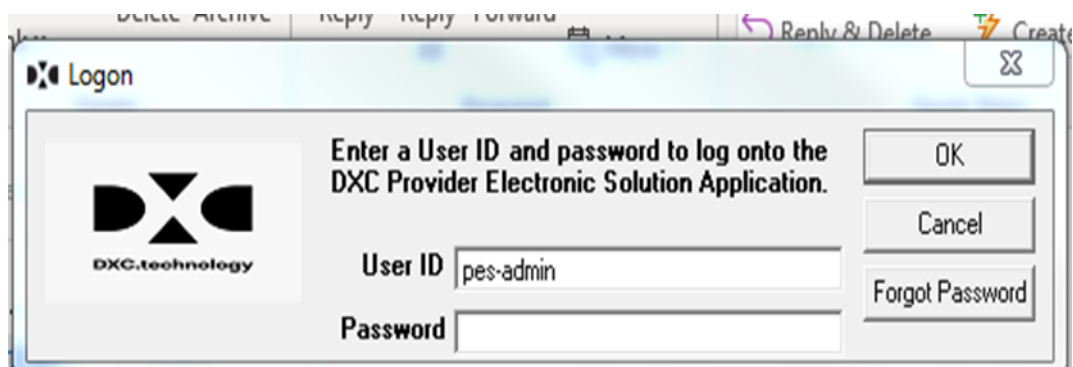

Below are screenshots of the most commonly used platforms that you may be logging into.

Healthcare Portal:

Enter your
User ID

Login Issues	
You are getting an error message that your security question answer is incorrect	<ul style="list-style-type: none"> We are not able to reset security questions. Only the owner of the account can change their questions and answers. If you are getting an error that your security question answer is incorrect it is typically indicative that your username is wrong. Please go back to the home page and make sure you are typing in your username correctly. *Please type slowly to ensure there are no mistakes* Additionally, please make note of your security questions and answers to ensure that you are entering the correct answer each time.
You are getting an error message that your password is incorrect	<ul style="list-style-type: none"> Passwords are CASE-SENSITIVE. So please take care to ensure you are entering your password correctly and that caps-lock is not on.
You are getting questions you do not recognize -OR- you do not remember your username.	<ul style="list-style-type: none"> Have you already enrolled as a trading partner or delegate? You need to have already enrolled as a trading partner - OR- have had your admin user create a delegate account before being able to sign in. <i>Please</i> make sure you have REGISTERED and VERIFIED your account. If you have not registered and verified your account, you will be prompted with questions you do not recognize.
You are getting an error when resetting your password on the Portal	<ul style="list-style-type: none"> The Portal is VERY specific on what a password can be. Your password must be EXACTLY 8 characters (no more, no less), with at least one capital letter, one lowercase letter, and NO special characters. For example, something like "Portal21" would work, but something like "Pa55w@rd2021!" would not.

Please Note!

Providers can access the Healthcare Portal directly, without going through the [EOHHS website](#), by going to this address:

<https://www.riproviderportal.org/HCP/Default.aspx?alias=www.riproviderportal.org/hcp/provider>

Attention: Physicians and Non-physician Practitioners

CPT Consultation Codes

Effective January 1, 2010, the Centers for Medicare and Medicaid eliminated the use of all consultation codes (inpatient and office/outpatient codes) for Medicare beneficiaries. Please refer to the MLN Matters number MM6740 Revised for complete information. However, existing policies and rules governing Medicare advantage or non-Medicare insurers were not revised.

RIMA has not revised their policy on the use of consultation codes. RIMA still requires the use of CPT Consultation codes (ranges 99241-99245 and 99251-99255). Some providers may have already or will receive notifications regarding recoupment when the consultation codes are not utilized.

NURSING HOMES, ASSISTED LIVING, AND HOSPICE PROVIDERS

Payment Delivery for Interim Payments

Due to the ongoing COVID-19 State of Emergency, Interim payments will continue to be automatically deposited into the bank account associated with your Gainwell Technologies MMIS account.

This will alleviate the need for in-person visits to the Gainwell Technologies office.

The next system payment will be deposited into the bank account directly, in line with the financial calendar on March 11, 2022.

Gainwell Technologies will securely mail the member information to providers detailing which client and date of service the payment is for.

We will continue to communicate with providers on any changes.

DME Providers—Enteral Nutrition Guidelines

The Enteral Nutrition Guidelines have been updated. Guidelines can be found [here](#) in the Enteral Nutrition and Total Parental Nutrition section of the provider manual.
