

Bed Hold Policy

The minimum 5-day condition for the per diem rate applies (meaning, it re-starts), EACH time a resident, who is covered under Medicaid LTSS, is transferred for hospitalization or other institutional therapeutic leave. The rate, for a minimum of 5 days for the Bed Hold period, should not exceed the current Medicaid daily rate at the RUG code in effect at the time of transfer for hospitalization or other institutional therapeutic leave, for the applicable Bed Hold days.
