## **Attention Ordering, Prescribing and Referring only Providers (OPR)**

Summer is Almost Over and with it will come OPR Revalidations!

This is applicable to OPR providers who enrolled in 2018 or 2019.

Be on the lookout for Revalidation Mailings being mailed mid-September.

You will receive two (2) letters in the mail. They will both contain valuable information you will need to Revalidate and you must receive both in order to complete the revalidation successfully.

*Here are a few tips to prepare:*

An OPR provider who enrolled in 2018 or 2019 will have **35 days** to *complete* their revalidation from the date of the letter. Once you receive your letters, put aside time to complete the process within the **35 days** so that you are in compliance. Failure to process and submit your revalidation will result in termination.

Prior to completing your Revalidation you should review the OPR Provider User Guide which can be found online at [www.riproviderportal.org](http://www.riproviderportal.org) near the bottom of the page.

Please be sure to review the Disclosure Questions located in the User Guide so you are prepared to answer all questions. If you are an Out of State Provider you must include recipient information in this section.

If you no longer wish to be part of the OPR program please send a written statement to [rienrollment@gainwelltechnologies.com](mailto:rienrollment@gainwelltechnologies.com) or fax to 401-784-3892 with your Name, NPI and the date you wish to terminate as soon as possible.

If the letter you receive from us has a different name than your current Legal Name you must provide the following documents for us to change your name on your record:- ALL DOCUMENTS MUST HAVE THE SAME LEGAL NAME:

1. A copy of your medical license
2. A copy of your NPPES Registry
3. Legal documentation such as a Marriage Certificate, a Divorce Decree or a Court approved Name Change
4. Email to [rienrollment@gainwelltechnologies.com](mailto:rienrollment@gainwelltechnologies.com) or fax to 401-784-3892.

If you have questions, please contact the Customer Service Help Desk at 401-784-8100 or 800-964-6211

## Medicaid Renewal Update: September 2023 Update

As of September 2023, six cohorts totaling about 85,000 Rhode Islanders have begun their renewal process. Interested in seeing the breakdown? Visit the Medicaid renewals dashboard on <https://staycovered.ri.gov/data-dashboard>

### **Updated Resources**

**The Medicaid Renewal Lookup Portal [is now available](#). Without logging into an account, Medicaid members can use the portal to find out when their renewal will take place. You can help your patients use this portal, too. All you will need from your patients is their Medicaid ID number and their date of birth. The portal is also available in English, Spanish, and Portuguese.**

Check out this [series of short videos on YouTube](#) that will help Medicaid members set up and use the HealthyRhode Mobile App. Videos are also being produced in Spanish and Portuguese.

Rhode Island's renewal process was recently highlighted in a national webinar hosted by [Benefits Data Trust](#). To learn more about what Rhode Island is doing to help eligible people stay covered, check out [the webinar recording on YouTube](#).

### **Renewals for Households with Children**

Households with children, which includes anyone younger than 19, will have their eligibility reviewed between December 2023 and April 2024. Like some other states, Rhode Island chose to delay renewals for households with kids to allow more time for thoughtful outreach, engagement, and preparation.

Please be aware of this timeline and help share information about renewals with your patients enrolled in Medicaid. As a reminder, you can download and print educational materials in multiple languages that are posted on our website [here](#).

The most important thing Medicaid members can do to prepare for their renewal is update their contact information. They can do this online, on the phone, in-person, or in the HealthyRhode app. [Click here to learn more about these options](#).

## Health Care Portal Medicaid Eligibility Renewal Dates

The **Eligibility** search will begin returning a response that includes the members renewal date.

### WHAT DOES THIS MEAN FOR YOU?????

Coming soon we will be adding a new column to the Healthcare Portal that will allow you to view the members basic benefit plans renewal date. The screen will display as N/A if no renewal date is applicable. This will allow for you to inform the member that their Medicaid eligibility renewal date is coming up for review.

## **Katie Beckett (KB) Medicaid Eligibility: Health Care Coverage for Children with Severe Disabilities**

**\*\*Please note that the clinical team overseeing the process for the Katie Beckett Medicaid Program has been moved to DHS-LTSS, kindly refer inquiries and mail application for the KB program to the DHS-LTSS contact below\*\***

Katie Beckett is an eligibility category in Medicaid that allows children under age 19 who have long-term disabilities or complex medical needs to become eligible for Medicaid coverage. To be qualified, child must meet the income and resource requirements for Medicaid for persons with a disability; qualify under the U.S. Social Security Administration's (SSA) definition of disability and require a level of care at home that is typically provided in a hospital, nursing facility or an Intermediate Care Facility for Persons with Intellectual Disability (ICF-MR). Katie Beckett Medicaid eligibility enables children to be cared for at home instead of an institution. With Katie Beckett, only the child's income and resources are used to determine eligibility.

For information about the Katie Beckett program, contact DHS LTSS at: 401-574-8474 or email: [DHS.PedClinicals@dhs.ri.gov](mailto:DHS.PedClinicals@dhs.ri.gov)

To apply for the Katie Beckett Medicaid Program, Kindly complete the DHS-2 Application, check the KB-Katie Beckett: Health Care Coverage for Children with Severe Disabilities, and mail to:  
Attention: DHS LTSS--Katie Beckett Program  
P.O. Box 8709  
Cranston, RI 02920

Case Management for members eligible via Katie Beckett has been designated to the Managed Care Organizations effective July 1, 2023; however all other medical claims will continue to adjudicate through the FFS system.

## **All Medicaid Members Eligible for Discounted Internet**

The Federal Communications Commission recently [launched the Affordable Connectivity Program \[r20.rs6.net\]](#) to reduce the cost of internet service. Through this program, all Medicaid members are eligible for a \$30 per month (or \$75 per month on Tribal Lands) discount on any internet service plan from participating providers. Eligible households can also receive a one-time discount of up to \$100 on a laptop, desktop, or tablet. [Households can enroll in the program here. \[r20.rs6.net\]](#)

## **Updates to the Healthy Rhode Mobile App for Customers**

The Healthy Rhode Mobile App recently underwent important updates to enhance both customer experience and operations efficiency. In addition to providing a wider array of support services through the mobile app, it is expected these enhancements will also serve to improve the customer experience both in-person and via the call center by offering the types of services commonly sought through both of these venues, likely resulting in shorter wait times. These upgrades include:

- Displaying previously submitted documents, appointments, banner messages, and notices
- Allowing customers to enter reasonable explanations, along with the documents upload
- Allowing customers to reset passwords and recover their username via one-time password
- Allowing customers to login via Biometrics
- Notifying customers of key dates and information pertinent to their case
- Allowing customers to create accounts, reset passwords, and recover their usernames
- Allowing customers to opt into text messages and push notifications
- Allowing customers to view their Medicaid ID on the mobile app
- Allowing customers to get on-demand updates of the status of their applications or recertifications/interims or periodic verifications
- Allowing customers the ability to submit simple changes to their case and household through the mobile app

These upgrades continue to further advance the customer service focus by addressing some of their most common needs. The ability to accomplish many of these necessary tasks through the mobile app is an exciting and extremely useful step that will help customers more quickly and efficiently accomplish tasks important to ensuring access to and continuity of benefits.

## Cedarr Rate Reform

2023 House Bill 5200 Substitute A as Amended authorizes EOHHS to implement a rate reform for CEDARR Family Services.

Changes detailed below effective 7/1/2023

<b>HCPCS</b>	<b>Description</b>	<b>Change</b>

H2021	COMMUNITY BASED WRAP AROUND SERVICES, PER 15 MINUTES	Rate: \$20 per unit. Unit interval: 15 minutes

## Attention Providers

When filling out a TPL card please include the member's Medicaid ID number (MID). The

TPL card can be found on the EOHHS website under Forms and Applications/ Business

Process Forms: [Third Party Liability \(TPL\) Information Card](#).

## Attention Ambulance Providers:

EOHHS is implementing a rate increase for ambulance services as of date of service 7/1/23. The below procedure codes reflect this most recent update. Please begin billing at these rates in order to be reimbursed at these higher rates for dates of service 07/01/2023 and forward.

Procedure Code	Description	Rate through 6/30/2023	7/1/2023 Rate-Forward
A0427 with all modifiers	AMBULANCE SERVICE, ADVANCED LIFE SUPPORT, EMERGENCY TRANSPORT, LEVEL I (ALS I EMERGENCY)	\$69.95	\$213.23
A0429 with all modifiers	AMBULANCE SERVICE, BASIC LIFE SUPPORT, EMERGENCY TRANSPORT (BLS EMERGENCY)	\$69.95	\$179.56

If you have any questions, please reach out to your provider representative, Andrea Rohrer at [andrea.rohrer@gainwelltechnologies.com](mailto:andrea.rohrer@gainwelltechnologies.com).

## Staying Connected

Are you a trading partner with RI Medicaid? Have you changed external or internal business processes? Have you had internal staff changes? If your contact information is out of date, you might miss vital information for your covered providers. Stay connected to RI Medicaid and send your email address to [riproviderservices@gainwelltechnologies.com](mailto:riproviderservices@gainwelltechnologies.com) so that you can receive the monthly provider update with essential information for your covered providers.

## Clearing Houses/Billing Agencies – Managing your Trading Partner Profile

Did you know you are responsible for managing the covered providers located in your trading partner profile? What does this mean? If you wish to conduct business on the providers behalf, you must add their NPI to your Covered Providers. If you would like to download the 835/277U transactions for the provider, you must also **check off** the 835/277U transaction boxes. Did you know when the provider no longer wants you to download their 835/277U, you **must** remove the NPI from your covered providers? Please select the link below for instructions on how to **add** and **remove** your covered providers.

[Managing Covered Provider Guide](#)

**\*\*\* If you are no longer practicing business with a covered provider, please end date that NPI\*\*\***

## Attention Trading Partners:

Do you want to use these transactions, if you do then please share the information below with your technical support.

RI Medicaid is preparing to implement the **Real Time 270/271** Eligibility Verification Request and Response and **Real Time 276/277** Claim Status Request and Response Transactions

For **Real Time** transactions the sender remains connected while the receiver processes the transactions and returns a response to the sender and with an average response time within 20 seconds.

Gainwell will utilize a **Real Time** Safe Harbor interface referred to as HDE (Health Direct EDI). This will allow for trading partners to transmit the **Real Time** transactions directly to the translator (EDIaaS).

### HDE connectivity and requirements per CAQH Core Rules

- Trading Partner Software web service to process transaction
- Trading Partner transaction can be in SoapUI or MIME format for submission

Trading Partner will receive a URL, HDE username and password to access the HDE connection.

What does this mean? If you are a provider you will need to contact your software vendor, clearing house or billing agency. RI Medicaid does not offer software for these **Real Time** transactions.

### To participate

Do you have a trading partner number?

Is your contact information on the Healthcare Portal current?

If you have answered yes to the above questions and are interested in these **Real Time** transactions, please answer the questions below.

**Testing Timeline has been moved. It will now begin on August 21st to September 8th .**

To participate in testing, you must provide the information below.

Name, TPID, contact name, email, and telephone number. Identify format (SOAPUI or MIME) for submitting the **Real Time** transactions.

Send your answers to [riediservices@gainwelltechnologies.com](mailto:riediservices@gainwelltechnologies.com). Please make sure to add a subject line of **Real Time** Transactions.

### Coverage Type Code Addition

Please be advised that a new coverage type code has been added to RI Medicaid. You may see this coverage type code in the Healthcare Portal when checking eligibility. The new coverage type is Medicare Part C Plan (Medicare Advantage). Previously, these policies had a commercial insurance coverage type code of HMO.

## Prior Authorization for Durable Medical Equipment (DME)

Physicians writing scripts/prescriptions for durable medical equipment (i.e. diapers, nutrition, etc.) should give the script directly to the recipient and indicate to the recipient to contact a DME Supplier provider. **The DME Supplier provider will initiate the prior authorization request with RI Medicaid.**

When prior authorization is required for a service, the DME Supplier provider is to submit a completed Prior Authorization Request form which can be obtained on the [EOHHS website](#). This form must be signed and dated by the **DME Supplier provider** as to the accuracy of the service requested. Attached to this form will be the Proof of Medical Necessity signed by the prescribing provider. When necessary, further documentation should be attached to the Prior Authorization Request form to justify the request. Forms can be faxed to (401) 784-3892.

**Please note prior authorization requests for DME supplies received from a physician will be returned.**

Prior authorization does not guarantee payment. Payment is subject to all general conditions of RI Medicaid, including beneficiary eligibility, other insurance, and program restrictions.

An approved prior authorization cannot be transferred from one vendor to another. If the beneficiary wishes to change vendors once the prior authorization has been approved, the new vendor will submit another Prior Authorization Request form with a letter from the beneficiary requesting the previous prior authorization be canceled.

For those beneficiary's dually enrolled in the RI Medicaid Program and Medicare, prior authorization is not required for Medicare covered DME services. Providers are required to accept Medicare assignment for all covered DME services. RI Medicaid will reimburse the copay and/or deductible as determined by Medicare up to the RI maximum allowable amount using the lesser of logic.

## Billing for Partial and Complete Dentures

Providers must use the date of delivery as the date of service when requesting payment for a partial or complete denture. Submission of a claim for payment indicates that all services on the claim have been completed or delivered. Therefore, claims for complete or partial dentures **must not** be filed until the date the appliances are delivered to the beneficiary. Medicaid payment may be recouped for claims filed using a date other than the delivery date.

**Note:** If the beneficiary's Medicaid eligibility expires **between** the final impression date and delivery date, the provider shall use the final impression date as the date of service. This exception is allowed **only** when the dentist has completed the final impression on a date for which the beneficiary is eligible **and** has actually delivered the denture(s). The delivery date **must** be recorded in the beneficiary's chart.

## ADA Stretcher Compliance- NEMT Benefit

### Healthcare Providers to Comply with ADA Stretcher and Wheelchair Requirements for NEMT Benefit

Under Title III of the Americans with Disabilities Act (ADA), healthcare providers must comply with the relevant physical access accommodations. Providers are required to make 'reasonable accommodations' to policies, practices, and procedures to avoid discriminating against an individual with a disability. EOHHS is in receipt of several complaints from contracted transportation providers (TP) regarding stretcher transportation issues at healthcare provider facilities.

EOHHS reminds healthcare providers that under its non-emergency medical transportation (NEMT) benefit, **transportation providers cannot leave an unattended stretcher at a provider/facility unless it is the member's personal mobility device or leave the transportation provider's stretcher at the facility.**

We thank you for your cooperation and attention to this important matter and kindly remind contracted network providers to comply with all ADA requirements, including wheelchair and stretcher transport for member's utilizing the NEMT benefit.

## Attention Nonskilled Home Care Providers

EOHHS has implemented a rate increase for nonskilled home care services as of the date of service 7/1/23. Gainwell has updated the rates in the Medicaid system. In addition, Sandata was able to get the updated rates in their system (EVV) before 7/1/23. Therefore, no mass adjustments need to be done.

The below reflects the base rates for procedure codes S5125, S5125 UI and S5130 for agencies without enhanced rates. For those agencies that have been approved for enhanced rates, the rates for the procedure codes S5125, S5125 UI and S5130 were sent out by email on 6/29/23. You should already be billing at the higher rates

If you have any questions, please contact [marlene.lamoureux@gainwelltechnologies.com](mailto:marlene.lamoureux@gainwelltechnologies.com)

## Nursing Home Transition Program and Money Follows the Person

[The Nursing Home Transition Program and Money Follows the Person program \(NHTP\) can offer support to your facility, helping residents who are eligible for Medicaid return to the community, when appropriate.](#)

Referrals to the program can come from nursing home staff, residents, family, or others. On receiving a referral, the NHTP Transition Team provides information and support to develop a plan and facilitate the transition, including coordinating community services and supports, helping find housing, obtaining necessary household goods and furniture, and assisting with the move.

Transition services are available to individuals who are directly served through the RI Medicaid office and those who are served by a managed care organization.

Following a move, the Team maintains weekly contact with an individual for the first thirty days and establishes a care management plan for subsequent follow up.

To refer someone interested in discussing options for returning to the community, complete a referral form and fax it to (401) 462-4266. The form can be found on the Rhode Island Executive Office of Health and Human Services website via a link on the Nursing Home Transition Program webpage: <https://eohhs.ri.gov/Consumer/NursingHomeTransitionProgram.aspx>.

We welcome your questions and feedback and are happy to meet with your staff. Please contact us by email at [ohhs.ocp@ohhs.ri.gov](mailto:ohhs.ocp@ohhs.ri.gov), by telephone at (401) 462-6393 or individually using the information below.

## Rhode Island will require the use of the Optional State Assessment (OSA) for Nursing Facilities Reimbursement effective October 1, 2023

Background: The Centers for Medicare & Medicaid Services (CMS) is ending support for Resource Utilization Groups (RUG)-III and RUG-IV on federally required assessments for patients residing in Nursing Facilities and Skilled Nursing Facilities as of October 1, 2023. The ending of this support was previously communicated in a 2018 Medicaid Informational Bulletin which had signaled that this support would end on October 1, 2020, however, because of the COVID-19 Public Health Emergency, the end date was delayed, providing stakeholders additional time to make necessary systems changes.

CMS released a State Medicaid Director’s Letter (SMD# 22-005) on September 21, 2022. This letter, coupled with the release of draft Minimum Data Set (MDS) changes on September 1, 2022, has several implications for state Medicaid programs and their nursing facility (NF) reimbursement systems. Beginning October 1, 2023, MDS items necessary for resident classification under a RUG-based acuity system (RUG-IV) will no longer be available on the standard MDS item sets. States wishing to maintain a RUG-based acuity system after October 1, 2023, need to implement and require submission of an OSA as of that date. CMS will support the use of an OSA by state Medicaid agencies wishing to maintain a RUG-based acuity system through September 30, 2025, at which time states must have any necessary regulatory changes in place to change from a RUG-based acuity system.

Rhode Island will require the submission of OSA beginning on October 1, 2023. All nursing facilities submitting MDS assessments in Rhode Island will be required to submit the OSA assessment with all MDS assessments.

<p>Beginning this October, nursing facilities will have to complete and submit Optional State Assessments (OSA). RI Medicaid will utilize the Optional State Assessments (OSA) as of 10/1/2023 to allow for continued utilization of CMS RUG-IV grouper and facility reimbursement determination.</p> <p>RI plans to transition to PDPM payment System effective 10/1/2025</p>	<p>Nursing facility payment information is available here: <a href="https://eohhs.ri.gov/providers-partners/provider-directories/nursing-homes">https://eohhs.ri.gov/providers-partners/provider-directories/nursing-homes</a>. ## **Attention Community Supports Management (CSM) Users**

The Community Supports Management Website was designed to help users enter forms electronically. Users can enter the following forms on the CSM without a need to fax them over to the local DHS office.

Nursing Home Admission Slips

Nursing Home Discharge Slips

In order to gain access to the CSM Website, **all new users must fill out and submit a [CSM User ID](#)** form which can be found on the [www.eohhs.ri.gov](http://www.eohhs.ri.gov) website. Please email the completed form to [Nelson.Aguiar@gainwelltechnologies.com](mailto:Nelson.Aguiar@gainwelltechnologies.com).

Once the form is received, please allow 7-10 business days to process your request. The user will receive an email with their CSM User ID, a temporary password, and a link to the CSM with some basic instructions on logging in.

Please remember that passwords must be between six and eight alphanumeric characters in length, contain no special characters or spaces, cannot be all nines and expire every 90 days.

**For passwords that require Gainwell to reset them for you, please email [rixix-ticket-system@gainwelltechnologies.com](mailto:rixix-ticket-system@gainwelltechnologies.com) or call [1-844-718-0775](tel:1-844-718-0775).**

### **\*Important Reminder**

Please remember as a user of the Rhode Island Community Supports Management System (CSM), it is your agency's responsibility, upon someone leaving your workforce, to notify the State of Rhode Island Executive Office of Health and Human Services or Gainwell to revoke access to the CSM. Requests for termination of access must be sent on the CSM User Form, with the selection of "Delete" at the top of the form. Please send the form to [Nelson.Aguiar@gainwelltechnologies.com](mailto:Nelson.Aguiar@gainwelltechnologies.com) to have the worker's access to CSM removed. It is our shared responsibility to prevent unauthorized access to the CSM and to protect and safeguard the Personal Health Information of our Health & Human Services program enrollees.

## **ATTENTION NURSING HOME PROVIDERS**

As you know, CMS is ending support for RUG-III and RUG-IV on federally required assessments for patients residing in Nursing Facilities and Skilled Nursing Facilities as of October 1, 2023, but will allow for the use of Optional State Assessments (OSAs) through 9/30/2025. Beginning 10/1/2025, CMS will no longer support the RUG-III and RUG-IV groupers via the OSAs.

RI Medicaid has been working with CMS to understand our options regarding NF payments. From 10/1/2023 through 9/30/2025, RI Medicaid will require that nursing facilities use OSAs to continue RUG-IV based payment while RI Medicaid moves toward the adoption of the PDPM model in October 2025. The OSAs will gather the needed assessment data to calculate a RUG payment amount for provided services. Between 10/1/2023 – 9/30/2025, the only method for states to obtain a RUG calculation via the CMS submission system (iQIES) will be the OSA.

The Federal MDS assessments (quarterly, comprehensive, PPS, IPA, discharge) will not contain all needed items for RUGs and thus a score will not be calculated. Several items—A0300, D0200, D0300, G0110, K0510, O0100, O0450, O0600, O0700, and X0570 have been removed from federally required item sets but remain on the OSA for the purpose of calculating RUG-IV scores.

Instructions for completing these items are included in CMS posted OSA Item Set and Manual on its website [cms.gov].

Instructions for completing other items on the OSA can be found in the respective sections of Chapter 3 of the Minimum Data Set (MDS) Resident Assessment Instrument (RAI) 3.0 User's Manual, available on the CMS website [cms.gov].

CMS noted that if the provider's billing software is up to date with CMS' current MDS specification then the OSAs will be completed using existing billing software.

## **Attention Nursing Facilities**

The 2023 General Assembly increased the personal needs allowance for nursing home residents from \$50 to \$75 per month. The federal portion remains \$30, while the State's portion increased from \$20 to \$45, for a total of \$75 to be retained per resident per month. Beginning 7/1/2023, it is the nursing facility's responsibility to ensure that residents retained the additional \$25 per month. EOHHS expects that nursing facilities will refund residents the additional \$25 if it was collected for July 2023. Please note that EOHHS may audit nursing facility personal needs allowance records to ensure that July 2023 adjustments were made, and to ensure continued facility compliance with the law.

## Attention Community Health Workers

EOHHS has implemented a rate increase for community health worker services. The below procedure code and modifiers reflect this most recent update. Please begin billing at these rates in order to be reimbursed at these higher rates for dates of service now and moving forward. Effective date for SFY 23 is 07/01/2022-06/30/2023 and Effective date for SFY 24 is 07/01/2023– current.

Procedure Code	Modifier	Rates Effective SFY 23 7/01/2022	Rate Effective SFY 24 07/01/2023
T1016	No Modifier (Established Patient)	\$12.41	\$12.69
T1016	U3 (New Patient)	\$16.14	\$16.51
T1016	HQ (Group Setting)	\$4.55	\$4.65

If you have any questions, please reach out to your provider representative Andrea Rohrer at [andrea.rohrer@gainwelltechnologies.com](mailto:andrea.rohrer@gainwelltechnologies.com).

## Attention Community Health Workers

If you're using a third-party vendor or clearing house to submit your claims, you will need to let them know that **CHW providers are atypical meaning they do not have an NPI or taxonomy**. It is important that you identify yourself as an atypical provider to your clearinghouse or third-party vendor.

Per mandates by CMS there are different billing requirements for atypical verses NPI providers. This impacts paper claims and 837 electronic submissions. CHWs will use their 7-character provider ID as the billing provider in the REF02 segment with the G2 qualifier, which is noted in the RI companion guide and captured below.

LOOP ID	2010BB PAYER NAME	
<b>Segment</b>	<b>NM1 Payer Name</b>	
<b>Reference</b>	<b>Name</b>	<b>Rhode Island Requirements</b>
NM103	Name Last Organization Name	Populate with 'RI Medicaid'.
NM108	Identification Code Qualifier	Populate with 'PI'.
NM109	Identification Code	Populate with the RI Medicaid EIN '056000522'.
<b>Segment</b>	<b>REF Billing Provider Secondary Identification</b>	
<b>Reference</b>	<b>Name</b>	<b>Rhode Island Requirements</b>
REF01	Reference Identification Qualifier	Populate with 'G2' for <b>atypical</b> providers. This field is required when submitting for an <b>Atypical</b> Billing provider. This field should only be populated if the Billing provider NPI was not submitted.
REF02	Payer Additional Identifier	Populate with 7-digit RI Medicaid Provider ID. This field is required when submitting for an <b>atypical</b> provider. If more than 7 characters are sent the claim will be rejected

## **Attention Federally Qualified Health Centers Dental Providers**

Providers are able to bill encounters to Medicaid for removable prosthetics during the fabrication phase based on standard of care. While post-insertion inspection and adjustments are anticipated, these are not covered per Medicaid policy in the first 6 months after delivery and similarly are not covered in the FQHC setting as additional encounters. The expected and allowed number of visits based on standard of care are listed below. Providers may be able to accomplish with fewer visits and should then bill fewer encounters. If additional visits are required during fabrication, it is allowed with documentation and subject to post-payment review.

### **Single complete denture, single complete denture with partial denture, or both upper and lower complete dentures:**

**Five encounters** may be billed to Medicaid, based on anticipated appointments as follows:

1. Preliminary impressions
2. Final impressions
3. Jaw relation records
4. Wax try-in
5. Delivery

The appropriate appliance D codes should be included on the dental claim form only once for the appliances on the date they are delivered to the patient. The additional encounters for fabrication steps should include a D0999 (unspecified diagnostic procedure, by report) on the claim form with a note that indicates the encounter is for a denture-related visit due to the fabrication of a new appliance.

### **Single partial denture:**

**Three encounters** may be billed to Medicaid, based on anticipated appointments as follows:

1. Impression and bite registration
2. Wax try-in
3. Delivery

The appropriate appliance D code should be included in the dental claim form only once for the appliance on the date it is delivered to the patient. The additional encounters for fabrication steps should include a D0999 (unspecified diagnostic procedure, by report) on the claim form with a note that indicates the encounter is for a denture-related visit due to the fabrication of a new appliance.

### **Upper and lower partial denture:**

**Four encounters** may be billed to Medicaid, based on anticipated appointments as follows:

1. Impressions
2. Bite registration
3. Wax try-in
4. Delivery

The appropriate appliance D codes should be included on the dental claim form only once for the appliances on the dates they are delivered to the patient. The additional encounters for fabrication steps should include a D0999 (unspecified diagnostic procedure, by report) on the claim form with a note that indicates the encounter is for a denture-related visit due to the fabrication of a new appliance.

### **Attention Federally Qualified Health Centers**

Effective 07/01/2022 FQHCs can receive reimbursement for LARC (Long-acting reversible contraception) separately from and in addition to your reimbursement for encounters. You will need to use the appropriate NDC with the J codes listed below.

The LARC procedure codes are:

**Intrauterine contraceptive devices, including:**

- J7296 (Kyleena)
- J7297 (Liletta)
- J7298 (Mirena)
- J7300 (ParaGard)
- J7301 (Skyla)

**Implants, including:**

- J7307 (Nexplanon)

#### **Billing instructions**

In addition to billing your encounter claims, you may bill the applicable procedure code from the list above on a separate claim and receive full reimbursement for those codes. If you're enrolled as a 340B provider and purchase those drugs at a discounted price, you will need to send us your 340B report. You can send over that report to our enrollment department at [rienrollment@gainwelltechnologies.com](mailto:rienrollment@gainwelltechnologies.com).

When submitting your claims, if enrolled as a 340B provider and purchase the LARC drugs at a discounted price you will need to use the modifier **UD**.

Please contact Andrea Rohrer, Provider Representative at [andrea.rohrer@gainwelltechnologies.com](mailto:andrea.rohrer@gainwelltechnologies.com) if you have questions.

### **Attention Federally Qualified Health Centers For Rite Share Claims**

RI Medicaid will pay the difference between the total primary payment and the FQHC encounter rate for recipients enrolled in Rite Share.

FQHC's should be billing for the wrap-around payment and should not be billing for the copay, coinsurance and/or deductible.

To bill for the wrap-around payment, claims must be submitted on paper only. **Claims for recipients enrolled in Rite Share cannot be submitted electronically.** A valid EOB is required to process these claims. EOB's that indicate the primary payer's guidelines were not followed will be considered invalid and the claim cannot be processed for the wrap-around payment.

To ensure correct processing claims should be completed as:

**Rite Share (wrap-around payment only):**

- a. Bill the encounter code T1015 on detail #1 at your Encounter Rate
- b. Subsequent details are the actual procedure codes for the RI Medicaid covered services rendered during the encounter billed at \$0.00

**Indicate yes to other insurance and the appropriate Carrier Code for the primary payer must be indicated in field 9D of the claim form along with the payer name. Please see the CMS 1500 instructions on the EOHHS website for complete instructions.**

**Please see [Billing Tips For FQHCs](#) as an additional reference.**

Claims with need to be sent to the provider representative's attention indicating that the claim being submitted for processing that the primary payer is Rite Share. Please send these claims to the address below:

Gainwell Technologies  
P. O. Box 2010  
Warwick, RI 02887-2010

Please contact Andrea Rohrer, Provider Representative at [andrea.rohrer@gainwelltechnologies.com](mailto:andrea.rohrer@gainwelltechnologies.com) if you have questions.

## Partner Advisory from the Rhode Island Executive Office of Health & Human Services Regarding Access to Mifepristone- 4/17/2023

Under the leadership and direction of Governor Daniel McKee, the Rhode Island Executive Office of Health & Human Services (EOHHS) is committed to ensuring patients' access to Mifepristone as various national legal proceedings continue. Access to this medication remains legally protected in Rhode Island.

Mifepristone is a medication prescribed to people for the medical termination of pregnancy. This medication is safe and effective and has been authorized for use by the U.S. Food and Drug Administration (FDA) for more than 20 years.

EOHHS has taken the following actions to ensure Rhode Islanders have access to Mifepristone:

Communicated and required our three contracted Medicaid Managed Care Organizations, Neighborhood Health Plan of Rhode Island, UnitedHealthcare of New England and Tufts Health Public Plans, which currently serve one out of every three Rhode Islanders, continued access to Mifepristone under current rules and regulations allowed under the Medicaid Program;

Coordinated with the Rhode Island Department of Health (RIDOH), the Office of the Health Insurance Commissioner (OHIC) and HealthSource RI to provide information to other commercial and qualified health plans, doctors and other prescribers, and pharmacies; and

Shared important updates with community partners and advocates to ease concerns or confusion in light of various federal rulings about Mifepristone access. As of today, this access remains legal and allowable in Rhode Island.

“At EOHHS, we work every day to ensure that all Rhode Islanders have a voice, a choice and equity in the health and human services they and their families receive,” said EOHHS Acting Secretary Ana Novais. “I am proud to stand with the organizations and advocates who fight every day for reproductive rights—whether it be for this medication or for our Equity in Abortion Coverage proposal, as all people deserve a comprehensive array of reproductive services from our health system. **As of today, all Rhode Islanders have access to the same coverage, treatments, and care that they had before federal court rulings. Access to mifepristone is not impacted in Rhode Island.** We will continue to work with the Governor and our state's health and human services agencies to share information, ensure that access to Mifepristone and other essential treatment continues to be protected, and inform the public about any changes on this matter.”

## Pharmacy Spotlight

### Attention Pharmacies

Due to the restart of Medicaid Renewals, there may be instances where Medicaid members are losing coverage or experiencing gaps in coverage. Gaps in coverage could impact managed care enrollment. When presented with a managed care claim denial, please request the white anchor ID card from the member. The white anchor card contains the members fee-for-service ID which may be active during a managed care coverage gap.

### RI AIDS Drug Assistance (ADAP) – Payor of Last Resort

What does this mean? Simply, that all other prescription benefits must be billed before billing ADAP.

When a RI AIDS Drug Assistance (ADAP) patient presents a prescription for a pharmacist to fill, the pharmacist should ask the patient to provide all cards for private prescription programs, Medicare Part D or Medicaid.

All non-ADAP prescription drug programs will be the primary payor. If the drug is covered under the scope of primary payer's program, then RI ADAP will pay the co-pay. If the drug is not covered by the primary payer's program, **and** ADAP covers the drug, then ADAP will pay the claim.

If the primary payor denies the claim because the drug requires prior authorization, then a PA must be sought from the primary payor.

### At-Home COVID-19 Test Kits Update

RI EOHHS Fee-for-Service (FFS) Medicaid program allows enrolled pharmacy providers to process At-Home COVID Test Kits at point of service (i.e., at the pharmacy). As with any over-the-counter (OTC) product, coverage of the claim requires a prescription. **As of February 24, 2023, the RI Department of Health (RIDOH) standing order for At-Home COVID-19 Test Kits is expired.** Therefore, in order to obtain an At-Home COVID-19 Test Kit, the beneficiary must request a prescription from their FFS Medicaid enrolled prescriber. The process to prescribe an At-Home COVID-19 Test Kit is the same as the process for other OTC product. Coverage for At-Home COVID-19 Test Kits is unchanged; this update is solely regarding the need for a prescription from beneficiaries' prescribers now that the RIDOH standing order is expired.

## Outpatient Providers

The Outpatient Prospective Payment System (OPPS) is a pricing methodology used by Medicare to price Outpatient Hospital claims. This methodology groups Healthcare Common Procedure Coding System (HCPCS), or procedure codes, to an Ambulatory Payment Classification (APC) status indicator/action code based on clinical and cost similarities. The assignment of HCPCS to APC status indicator is determined by CMS. Recently, CMS has added six new APC status indicators to the list that will need to be incorporated into the current APC pricing logic.

This new payment methodology requires a new “conditionally packaged” logic that checks the APC status indicator of the other HCPCS on the claim to see if any of the conditions are met. The below table will describe the CMS guidelines of this conditional packaging.

APC Status Code	APC STAUS DESCRIP-	PRICING (Logic)
D	Discontinued Codes	Reimbursed at zero
E1	Codes/services not covered under outpatient, statutorily excluded or not reasonable/	Reimbursed at zero
E2	Codes/services for which pricing info and claims data is	Reimbursed at zero
J1	Hospital Part B services paid through a comprehensive APC	Reimbursed at APC fee schedule for costliest J1 on the claim. Other HCPCS on the claim with APC action codes N, Q1, Q2, P, S, V, and lower cost J1, K and R
J2	Hospital Part B services that may be paid through a comprehensive APC	Reimbursed at APC fee schedule except when included on a claim with a paid J1 APC Status Indicator, in which case reimbursed at
Q4	Conditionally Packaged Laboratory Tests	Reimbursed at zero if claim also has a procedure code with an APC status indicator of J1, J2, S, V, Q1, Q2, or Q3. Otherwise reimbursed using lab or therapy fee schedules, as applicable.

An updated APC Status Code list can be found on the EOHHS website [Fee Schedule](#) page.

## Rite Share Billing

### Program Description

Rite Share is Rhode Island's Premium Assistance Program that provides help paying for an employer's health insurance plan. The State will pay all or part of the cost for employee health insurance coverage.

### Professional Billing

#### Rite Share Paper Submission

RI Medicaid will usually pay the patient responsibility (coinsurance and/or deductible) portion indicated on the EOB of the primary payer of recipients enrolled in the Rite Share program. Payments are capped at \$500. When billing RI Medicaid for the patient responsibility portion of the services billed to the primary payer;

- There should be only one line of charges on the claim
- The charge on that detail should be the total amount of the coinsurance and/or deductible
- Total charges should equal those on detail one.
- No "other insurance" information should be reported on the claim
- No "prior payments" should be reported on the claim
- Primary payer EOB should be included with the claim
- HCPC code is X0701

#### Rite Share-Electronic Submission

Patient Responsibility (coinsurance and/or deductible) should be submitted using the actual procedure code for the services performed. Indicate yes to other insurance and enter Adjustment Codes, Group/Reason Codes as reported on the primary payers EOB. The PR codes will indicate the amount of the coinsurance and/or deductible.

### Institutional Billing

#### Rite Share-Paper Submission

RI Medicaid will usually pay the patient responsibility (copay, coinsurance and/or deductible) portion indicated on the EOB of the primary payer of recipients enrolled in the Rite Share program. Payments are capped at \$1000 and are paid at the Ratio of Cost to Charges (RCC) x total charges rate.

When billing RI Medicaid for the patient responsibility portion of the services billed to the primary payer;

- There should be only one line of charges on the claim
- The charge on that detail should be the total amount of the copay, coinsurance and/or deductible
- Total charges should equal those on detail one.
- No "other insurance" information should be reported on the claim
- No "prior payments" should be reported on the claim
- No primary payer EOB should be included with the claim
- All amounts are paid at the RCC x total charges
- TOB should be 994
- For Hospitals the Provider ID will be the Legacy ID not the NPI/Taxonomy

RI Medicaid may also consider for payment services that are non-covered by the primary carrier if these services are generally covered by Medicaid. **Note: Any denials by primary indicating non-compliance with policy are considered invalid and Medicaid will not consider these services for payment.**

#### Rite Share-Electronic Submission

Patient Responsibility (copay, coinsurance and/or deductible) should be submitted using the actual procedure code for the services performed. Indicate yes to other insurance and enter Adjustment Codes, Group/Reason Codes as reported on the primary payers EOB. The PR codes will indicate the amount of the coinsurance and/or deductible.

## New - Fingerprinting Requirements for “High Risk” Providers and Owners

With the passage of the SFY23 budget and in accordance with Section 6401 of the Affordable Care Act, Medicaid enrollment. Requires a fingerprint-based criminal background check (FCBC) as part of new screening and enrollment requirements for all “high risk” providers and all persons with a 5% or greater direct or indirect ownership interest in such providers. The final rule for Section 6401 assigned risk levels for provider types that are recognized by Medicare. Rhode Island Medicaid adopted those risk levels and assigned risk levels for Medicaid-only provider types. Provider screening and enrollment requirements are based on the risk level for a particular provider type or provider.

Rhode Island Medicaid may rely on fingerprinting and background checks performed by Medicare (or another State Medicaid Agency) for an individual when it can be verified, and the provider is still in an approved status.

The following is a list of the provider types that have been classified as high risk.

### **High Risk Providers**

- ✦ New enrollees in the following provider types:
  - Durable Medical Equipment Providers (newly enrolling on or after July 1, 2018 only)
  - Home Health Agencies (newly enrolling on or after July 1, 2018 only)
- ✦ Federal regulations also require that any provider that meets one of the following criteria be classified as high risk:
  - Has had a payment suspension based on a credible allegation of fraud, waste, or abuse since July 1, 2018;
  - Excluded by OIG or another state Medicaid program within the past 10 years; or
  - Has a qualified overpayment and is enrolled or revalidated on or after July 1, 2018

### **Notification and Process**

Impacted providers will receive written notification from Rhode Island Medicaid that they and/or their owners are required to comply. Applicant Registration form will need to be uploaded to the Provider Portal within 30 days. That information will be entered into the Rhode Island Office of the Attorney General’s fingerprinting system by Rhode Island Medicaid.

A letter will then be generated and sent to the individuals to be fingerprinted that includes a unique ID number and instructs them to visit the Rhode Island Office of the Attorney General’s offices in Cranston, Rhode Island within 30 days. Providers must ensure that each of their qualifying owners do so within this timeframe.

Failure to have the fingerprints of each individual on the notification letter scanned within these time frames may result in denial of an enrollment application or termination of enrollment with Rhode Island Medicaid.

## New-Fingerprinting Requirements for “High Risk” Providers and Owners

In addition, if providers or their owners are found to have been convicted of any the legislative disqualifying felonies under the National Criminal Background Check Program (NBCP) and/or convicted of a criminal offense related to that person's involvement in any program under Medicare, Medicaid, or the title XX services program since the inception of those programs, Rhode Island Medicaid may deny their enrollment application or terminate their enrollment. To avoid a denial or termination, providers may be required to remove any owners who fail to have their fingerprints scanned within 30 days, or are found to have been convicted of any of the previously mention offences.

### **Background Check Results**

The results of your National Background Check (NBC) will be provided directly to Rhode Island Medicaid, where you will receive a qualified or unqualified decision. An unqualified decision is reached when one of the nineteen felonies are found during the background check, if you receive an unqualified decision, you are entitled to reach out to the Attorney General’s office for detailed information and appeal the decision.

Providers/Owners that receive an unqualified decision will not be allowed to participate in Rhode Island Medicaid.

## Attention Public Health Dental Hygienist

The [Community and Home-Based Oral Healthcare Pilot Application](#) is now live.

**Funding is available** from the Executive Office of Health and Human Services for the following pilot initiatives:

- Home healthcare agencies who incorporate approaches to oral health assessment, oral health care plans, and mouth care.
- Public health dental hygienists who wish to provide preventive dental services for individuals using home and community-based services.
- Dental offices accepting referrals of older adults using long term services and supports and living at home.

Applicants must be enrolled or plan to enroll as a Medicaid participating provider. Applications will be accepted on a rolling basis with a closing date of September 15, 2023, however it is recommended to apply early. ## Information Regarding Remittance Advice

### Just a reminder.....

As a reminder, remittance advice (RA) documents are accessed through the Healthcare Portal. The most recent four RA documents are available for download.

Providers must download and save or print these documents in a timely manner to ensure access to the information needed. When a new RA becomes available, the oldest document is removed, and providers are unable to access it. The Payment and Processing calendar lists the dates of the RA for your convenience.

RI Medicaid does not provide printed copies of RA documents. Please see the financial schedule [here](#).

**Reason for Selection:** A claim submitted by or on behalf of you/your organization has been randomly selected for review under this program. The review will be completed by CMS' review contractor, NCI Information Systems, Inc.

**Action: Send Additional Documentation:** A request for the medical/supporting record was sent to you on xx/xx/xxxx for the beneficiary listed on the enclosed Claim Summary. Thank you for your response to the request. It has been determined by the reviewer, however, that additional documentation is needed to complete the review of this claim. **Your cooperation in submitting the additional documentation to us within fourteen (14) days is essential to ensure that the claim is accurately reviewed to determine proper payment.** Federal regulations require that you provide the documentation to support claims for Medicaid/CHIP services upon request<sup>2</sup>. **Providing medical records for Medicaid/CHIP patients does not violate the Health Insurance Portability and Accountability Act (HIPAA). Patient authorization IS NOT REQUIRED to provide medical records in response to this request.** CMS and its contractors will remain in compliance with the Privacy Act and regulations.

**When:** [MedrecDueDate]

Please provide the requested documentation by [MedrecDueDate]. A response is still required by [MedrecDueDate] even if you are unable to locate the requested information.

**Consequences:** If you fail to deliver the requested additional documentation or contact us by [MedrecDueDate], the claim will be cited as an erroneous payment and your state agency may pursue recovery of payment for this claim from you.
